RESOLUTION NO. 08-12

A RESOLUTION OF THE ALBANY CITY COUNCIL, STATE OF CALIFORNIA, TERMINATING PROCLAMATION OF LOCAL EMERGENCY.

WHEREAS, on November 7, 2007, the City proclaimed the existence of a local emergency based on the oil spill in the San Francisco Bay washing ashore in Albany onto beach, rocks and other shoreline areas, and pursuant to the Albany Municipal Code Chapter 2.16; and

WHEREAS, California Government Code Section 863(d) requires the City Council to proclaim the termination of the local emergency at the earliest possible date that conditions warrant; and

WHEREAS, it has been found that the conditions of local emergency described in proclamation of local emergency have abated so that the services, personnel, equipment and facilities of the City are now sufficient to handle the conditions without the need for the combined forces of other political subdivisions.

NOW THEREFORE, BE IT RESOLVED, by the City Council of the City Albany, as follows:

1. That the City Council of the City of Albany hereby proclaims the termination of the above-described local emergency and declares that any orders made by the City Council or Director of Emergency Services in connection with such emergency shall be of no further force and effect, as of the effective date of this Resolution.

2. The City Council hereby finds that the facts set forth in the recitals to this Resolution are true and correct and establish the factual basis for the City Council's adoption of this Resolution.

3. This Resolution shall take effect immediately upon its adoption.
