Join Alameda County Transportation Improvement Authority's

Paratransit Advisory Planning Committee (PAPCO)

MAKE A DIFFERENCE! GET INVOLVED!

The Alameda County Transportation Improvement Authority (ACTIA) manages over \$100 million in transportation funding each year. Four community advisory committees help ACTIA by making recommendations on funding, sharing information, keeping a close eye on progress, spurring action by project sponsors, and bringing forth information from other community members they know. With members of the public serving on four separate community advisory committees, Alameda County benefits from the wealth of information, ideas, contacts and commitment to project and program delivery.

We need YOU to help make decisions on Transportation Funding for seniors and disabled. **PAPCO advises ACTIA on the development and implementation of paratransit programs, including a grant program.**

MEMBERSHIP REQUIREMENTS:

- Members must be Alameda County residents.
- Must use transportation supporting seniors or disabled mobility.
- Members advise, provide feedback, and make funding recommendations for senior and disabled transportation services, programs and plans.
- Appointments are for a two-year term.
- The 28 member committee currently meets on the fourth Monday of the month from 1:00 – 3:30 pm.
