SUBJECT: City Council appointments to regional and local bodies

REPORT BY: Beth Pollard, City Administrator

STAFF RECOMMENDATION

Confirm any changes in appointments to regional commissions, committees, and boards.

BACKGROUND

Members of the City Council are appointed by the Mayor or Council to a variety of regional and local bodies. Those appointments are typically made by the Mayor and/or Council at a Council meeting following the City Council election.

Adoption of the appointment schedule does not preclude changes in the off-years. Certain appointments that are reserved for the mayor and vice mayor positions change automatically when there is a Council change in those positions.

DISCUSSION

Council member Thomsen has expressed interest in a primary appointment on a regional/local body. Council member Atkinson has expressed a willingness to discontinue her appointment as the primary representative to the East Bay Division of the League of California Cities.

Staff is not aware of any other requests for changes in the appointment schedule.

SUSTAINABILITY IMPACT

Not applicable

FINANCIAL IMPACT

None
