Subject:

Monthly Progress Report: February 2010 Civic Center

From:

Gale Rossi, Construction Manager, Van Pelt Construction Services

Rich Cunningham, Public Works Manager Judy Lieberman, Assistant City Administrator

STAFF RECOMMENDATION

1) Receive monthly progress report.

2) Schedule an Open House and Rededication Ceremony for Monday, March 22, 2020, 6:00 – 7:30 p.m.; Rededication Ceremony at 7 p.m.

BACKGROUND

The City Council awarded a contract with Sausal Corporation on April 3, 2008 for seismic retrofit of the City Hall, Police Station, and Fire Station, and renovation of the Fire and Police Stations. Construction for City Hall started on May 12, 2008, and the Police and Fire Stations work started on September 2, 2008.

PROJECT DISCUSSION

The Contract work is about 100% complete and the total amount expended between Contractor and retention paid into escrow up to date is \$8,849,020.

There was one (1) contract change orders issued during the past period for a total amount of \$ 126,190.27. This Change Orders included 41 sub tasks. Together the contract change orders now total \$1,248,563 or 15.9% of the original contract amount. The change orders include renovations to the City Hall to improve the use and efficiency of the space. This was approved by Council at the mid-project point because of the available funds in the project contingency. This enabled the City to take advantage of the cost savings and construction effectiveness that can be achieved when additional work can be completed concurrent with contract construction.

SCHEDULE

02/12/2010: Construction Complete for all Contract work.

02/16/2010: Return of Police and Fire from temporary facilities.

CONSTRUCTION PROGRESS

The punch list work is being completed at this time. The rainy weather has made it impossible to complete all the exterior painting. Gutters need a second coat of paint along with painting of all exposed galvanized flashings. This painting is now scheduled to be complete 2/19/2010

POLICE STATION - Contract work is 100 % complete

Three drawers required at evidence that are now scheduled to be installed on 2/16 purchased from SSI by the City.

FIRE STATION – Contract work is 100% complete.

CITY HALL – Contract work is 100% complete.

Progress on roll up doors over counters at Lobby purchased from BK Mill by the City. 1 of the 3 has been installed, 2 of the 3 where incorrectly fabricated and where returned to the factory. The new installation is scheduled for the week of 2/16/2010.

EOC- Contract work is 100% complete. Equipment and furnishing is in progress.

SITE WORK- Contract work is 100 percent complete

REMAINING WORK- Punch lists, Operating Manuals, and Warranties are to be completed. Employee training is being scheduled for week of 2/16/2010. Remaining non-contract work will be done by the City. This work entails small 4" AC paving strip at Fire Station along Marin Blvd, handrails at Fire Station entry walk, possible future site signage and the possibly of some added casework locks at the Fire Station. City staff is installing the landscaping improvements.
