SUBJECT: City of Albany Street Tree List

REPORT BY: Penelope Leach, Recreation and Community Services Director

PARK AND RECREATION COMMISSION AND STAFF RECOMMENDATION

That Council approve Resolution No. 2010-8 – A Resolution of the Albany City Council Adopting a Revised Street Tree List.

BACKGROUND/DISCUSSION

In 2007, Council approved the implementation of the Tree Task Force. The purpose of the Tree Task Force was by to evaluate and make recommendations for any possible changes to the City's Street Tree List. The list identifies which trees are authorized for planting as street trees in the public right-of-way.

Richard Trout, Parks and Recreation Commissioner and Chair of the Tree Task Force, has prepared a summary of the work performed by the Tree Task Force's and reasons for changes to the Street Tree List. Please find attached the memo to Council prepared by Mr. Trout as well as the revised Street Tree List and resolution for adoption of the list.
