

Albany Waterfront “Cove” Enhancement Project - Seating area looking west from Cove

Informational plaques located near seating area looking west.

Albany Waterfront “Cove” Enhancement project  
Proposed landscape area located east of the “Cove” and west of pine trees (not pictured); Photo is looking west

The “Cove” (a.k.a. the bunker) was built by an artist using remnants from Solano Avenue sidewalk during the 1998 streetscape improvement project.
