

MEMORANDUM

TO: Waterfront Committee

FROM: Ann Chaney

DATE: March 2, 2010 (revised at April 12, 2010 WFC meeting)

SUBJECT: 2010 Waterfront Committee Work Program

The following is a priority list of issues, tasks and activities the Waterfront Committee has chosen use to guide future agendas for calendar year 2010.

Planning

- Albany Beach Feasibility Study – provide input and assistance to East Bay Regional Park District
- Dog Management – identify recommendations based on input from EBRPD staff, survey, public input

Activities/Programs

- Educational programs – wildlife, sensitive habitats, dog management
- Encourage Stewardship, Volunteerism

Construction Projects

- The “Cove” project (Measure WW)

Policy Initiatives

- Respond to Council or community requests/issues as may be necessary

Funding Sources

- Advocate for Measure WW for Eastshore State Park
- Track and apply for Coastal Conservancy funding (e.g., Whale Tail grant)
- Other funding as the opportunity arises

Continue Monitoring:

- Bay Trail status
- Burrowing Owl habitat
- Voices to Vision
- Disaster response plan for Waterfront area
- Homeless situation at the Waterfront
