**SUBJECT:** At-Large Appointment to the Sustainability Committee  
**FROM:** Jacqueline L. Bucholz, City Clerk

**STAFF RECOMMENDATION:**

Review applications and provide direction on the appointment.

**BACKGROUND**

Dan Lieberman is the current at-large representative on the Sustainability Committee. Every two years, the Council must either reappoint existing members or make a new appointment.

There is one application on file, other than the incumbent, which was filed March, 2010 by Lisa Wenzel. I left a telephone message for Ms. Wenzel to see whether she is still interested but have not received a call back.
