**COUNCIL MEMBER WILE RECOMMENDATION:**

Nominate Ruth Cashmere for appointment to the Berkeley/Albany Mental Health Board.

**BACKGROUND**

Council Member Wile is the current representative on the Berkeley/Albany Mental Health Board but due to a conflict can no longer serve on that Board. The City Council nominated Council Member Atkinson to fill that vacancy on January 10, 2011; however, Council Member Atkinson has a conflict on the date that the Board meets and has declined the appointment.

On February 7, 2011, Council discussed this vacancy and decided to put this on the February 22 agenda after the vacancy had been posted for 10 working days. Only one application has been received from Ruth Cashmere.
