

**EDUCATIONAL EVENING AND COMMUNITY DISCUSSION OF INTEGRATED
PEST MANAGEMENT AND CITY PEST MANAGEMENT METHODS
AGENDA**

**Monday January 29, 2007
Albany Senior Center
846 Masonic Ave
7:00 p.m.**

I. Introduction

- City IPM Task Force Chair Nan Wishner will identify the role and goals of the Task Force, public processes and meetings with regard to IPM and the City of Albany

II. What is IPM?

Presentation by IPM Consultant Steven Ash IPM-PCA Consultant

- An informational presentation by the City's IPM consultant

III. Breakout Sessions

- Groups of 5 to 8 people will engage in discussion aimed at gathering everyone's views with regard to ranges of alternative approaches for solving pest problems on City properties

IV. Wrap-up

- Review of conclusions reached by the breakout groups and how to proceed into the future.

Please fill out the **City's Community Pest Management Survey** and sign up for **Volunteer Opportunities**. There are informational handouts about IPM, photo displays where you may submit written comments on the state of Albany's parks and open space and a **free gift** for participating!
