February 9, 2011

Ms. Beth Pollard
City Administrator
City of Albany
1000 San Pablo Avenue
Albany, CA 94706

Dear Ms. Pollard:

Pursuant to Article 11 of the Franchise Agreement between the City of Albany and Waste Management of Alameda County, Inc. (WMAC) for Solid Waste, Recyclable Materials, and Organics Materials Services, WMAC requests an annual adjustment of the solid waste, recyclable and organics material rates effective May 1, 2011.

WMAC wishes to adjust the rates by 1.235%. The adjustment reflects 80% of the CPI and a Measure D Fee increase. Enclosed please find the proposed rates, the calculation method and a copy of the December CPI data used in the calculation.

Please respond with written confirmation when the Albany City Council approves the solid waste, recyclable and organics materials rate adjustment discussed above. Please contact me if I can help answer any questions regarding the enclosed materials or the rate adjustment process, at (510) 613-2833.

Sincerely,

A handwritten signature in blue ink that reads 'R. W. Angell'.

Robert Angell
Director of Municipal Contract Compliance
