

# Let's make transit easier in West County and Albany

## Wish it was easier to get to transit?

The West Contra Costa Transportation Advisory Committee is hosting community workshops on improving access to transit hubs in **West County**. We are also developing a wayfinding program to sign preferred walking and biking routes, **including within the City of Albany**.

Come hear about proposed improvements and tell us what you think—we want to hear your ideas and priorities. The workshops will cover:

- ✓ Conditions around transit stations
- ✓ Pedestrian and bicycle access
- ✓ Parking, circulation and drop-off areas
- ✓ Alternatives to driving alone
- ✓ Wayfinding signs

## Tell us what you think

- Attend a workshop—and be eligible to **win a \$155 transit card!**
- Find out what improvements we are proposing at [www.wcAccessTransit.com](http://www.wcAccessTransit.com)
- Fill out a survey at [surveymonkey.com/s/wcAccessTransit](http://surveymonkey.com/s/wcAccessTransit)—and be eligible to **win a cash prize!**
- Email your comments and suggestions to [feedback@wcAccessTransit.com](mailto:feedback@wcAccessTransit.com)

## Workshop dates and locations

We will raffle off a **\$155 Translink/Clipper Card** among people attending each workshop!

**Monday, May 23**  
6:00–7:30 pm

Richmond City Hall  
Multipurpose Room  
440 Civic Center Plaza  
Richmond
