

## The Albany Traffic and Safety Commission Invites you to attend the Special Meeting for the Active Transportation Plans-Draft Project List

Date & Time: **Thursday May 26, 2011 at 7:00 pm**

Location of Meeting: **City Council Chambers, 1000 San Pablo Avenue**

The purpose of the meeting is to discuss the proposed reviews and edits of the Draft Albany Active Transportation Plan. The City is preparing its first Pedestrian Master Plan and updating the Bicycle Master Plan. During 2010, the City held several public workshops to introduce the community to the most recent standards and determine the cycling and pedestrian needs within the city to make it more cyclist and pedestrian friendly. These proposed pedestrian and bicycle projects would affect everyone, and it is important to hear what you think about these proposals. We encourage you to attend this meeting as the Traffic & Safety Commission will make a recommendation to the City Council on the proposals in order to develop an environmental document on the plan.

A hard copy of the Plan is available for public view at the Community Development Desk, at the Albany Library, and on line on the Active Transportation Plan Website:
