

**MAKING TRANSIT EASIER IN ALBANY AND WEST CONTRA COSTA COUNTY – [Fill out our survey for a cash prize!](#)**

Getting to transit should be easy, safe and convenient. The West Contra Costa Transportation Advisory Committee (WCCTAC) is working on a study to improve access to BART stations, park-and-ride lots and other key transit hubs in Albany and West Contra Costa County.

In May we held a series of workshops to present proposed improvements. We encourage Albany and West County residents, employees and visitors who were not able to attend a workshop to give us your feedback by filling out our brief survey at <http://surveymonkey.com/s/wcAccessTransit>.

**\*\*\* The survey is open until midnight on Sunday, June 19. Survey respondents will be eligible to win a Clipper Card worth \$155 or one of three \$60 cash prizes \*\*\***

For more information about the project—including what improvements are being proposed—visit [www.wcAccessTransit.com](http://www.wcAccessTransit.com).
