CITY COUNCIL AGENDA
STAFF REPORT**

Agenda Date: June 20, 2011
Reviewed by: BP

SUBJECT: Donation of Disaster Management Supplies

REPORT BY: Edward W. Tubbs, Fire Chief

STAFF RECOMMENDATION

That Council accept the donation of Disaster Equipment from Disaster Management Systems, Inc.

BACKGROUND

While attending the Alameda County emergency preparedness drill “Operation Independence” on May 26, 2011, Battalion Chief Brian Crudo was offered some disaster equipment, from the Disaster Management Systems, Inc., as a donation to the City.

DISCUSSION/ANALYSIS

The City Council can decide to not accept the donate materials. We would then have to purchase these items that will assist us in the field responding to calls that would utilize this equipment, as well as in the Emergency Operations Center when a situation arises that facilitates their use.

SUSTAINABILITY IMPACT

None

FINANCIAL IMPACT

The value of the donated equipment is \$3,154. If the donation is accepted, we will send a letter of appreciation to Disaster Management, Inc. on behalf of the City.

Attachments

1. A detailed copy of the equipment, with their MSRP, that was donated from Disaster Management Systems, Inc.

“Rapid Response Kit”, one each

The Rapid Response Kit, DMS-05001, is used to support first responders at any multi casualty incident. The kit is based on the Incident Command System (ICS) and established triage protocols. This kit will help minimize operational area confusion, and can reduce the transport times of patients. The kit contains identification vests and the role/responsibility cards for the following positions: Treatment Unit Leader, Triage Unit Leader, Immediate Treatment Leader, Delayed Treatment Leader, Minor Treatment Leader, Morgue Manager, Medical Communications Leader, and the Ambulance Coordinator.

MSRP = \$899.97

“Table Top Training Kit”, one each

The Table Top Training Kit, DMS-05738, is designed to help maintain proficiency in triage and patient processing. The use of the kit also helps company officers with the mental process of establishing a medical division/group and the placement of an ambulance loading area, ambulance staging area and traffic plan.

MSRP = \$799.97

“NIMS/ICS EOC Flag & Vest Kit”, one each

The NIMS/ICS EOC Flag & Vest Kit, DMS 05303, The Emergency Operations Center (EOC) kit provides both geographic and personnel identification, and is based on the ICS system. The EOC is the central command and control facility responsible for carrying out the principles of emergency management functions in a large scale emergency situation.
