Hi Aleida,

I am writing to you regarding street parking limitations in front of 1109 Garfield Avenue, Albany. We are currently constructing a single-family residential home at 1109 Garfield Avenue, and are concerned about the 90-minute street parking limitation in front of our property. We have seen the 90-minute limitation mostly apply to commercial areas, but not in front of Albany residential homes. This strict limitation is a major inconvenience for us while the home is being constructed, as many of our construction trucks need to be close to the property for deliveries and construction activities. It will also be an inconvenience for the home's future residents.

Would it be possible to remove the 90-minute parking sign in front of 1109 Garfield Avenue or relocate the sign to provide restriction-free parking on both sides of the property? I am attaching a Word document with a street view for clarification.

Please let us know your thoughts on the above. Thank you, Aleida.

Sincerely,
Lydia Chan
