
PROP 29 - CALIFORNIA CANCER RESEARCH ACT

ENDORSEMENT FORM

Proposition will save lives, keep our kids from smoking and raise nearly \$600 million a year to fund the state's research community to make advances in the detection, treatment, prevention and cure of cancer, heart disease and stroke, lung disease and other tobacco-related illnesses. Proposition 29 is a statewide initiative that will raise the state's tobacco tax by \$1.00 per pack. It will be on the June 5, 2012 ballot.

Please join the effort to pass Proposition 29 and save lives!

I support Proposition 29 and pledge to vote YES. You may use my name publicly as a supporter of CCRA

I want to volunteer! Please add me to your volunteer list.
