

**CITY OF ALBANY
CITY COUNCIL AGENDA
AGENDA REPORT**

Agenda date: May 7, 2012

SUBJECT: Wireless facilities:
1) Presentation on new federal wireless co-location law
2) Proposed building code modification regarding telecommunications towers

FROM: Robert Lieber, City Council Member

COUNCIL MEMBER LIEBER RECOMMENDATION

1. Sponsor a presentation at a City of Albany site by Lawrence “Rusty” Monroe, Center for Municipal Solutions (CMS) on the new federal wireless co-location law, and reimburse his out-of-pocket expenses (airfare, hotel, meals, car, etc.) only, estimated \$800 - \$1,000.
2. Refer proposed building code modification regarding telecommunications towers to staff for recommendations to Council on incorporation into city regulations

BACKGROUND/DISCUSSION

Attached are proposals for a presentation by Mr. Monroe, and for building code modifications regarding telecommunication towers in Albany.

The presentation need not be at a City Council meeting, but could be a separate time and place to which Council Members would be invited.

FINANCIAL IMPACT

Mr. Monroe’s out-of-pocket costs for the presentation would be funded by Council discretionary funds.
