Findings

Page 1 of 1

1. That the **City of Albany** is not legally impeded from submitting a request to the Metropolitan Transportation Commission for the allocation of Transportation Development Act (TDA) Article 3 funds, nor is the **City of Albany** legally impeded from undertaking the project(s) described in “Attachment B” of this resolution.
2. That the **City of Albany** has committed adequate staffing resources to complete the project(s) described in Attachment B.
3. A review of the project(s) described in Attachment B has resulted in the consideration of all pertinent matters, including those related to environmental and right-of-way permits and clearances, attendant to the successful completion of the project(s).
4. Issues attendant to securing environmental and right-of-way permits and clearances for the projects described in Attachment B have been reviewed and will be concluded in a manner and on a schedule that will not jeopardize the deadline for the use of the TDA funds being requested.
5. That the project(s) described in Attachment B comply with the requirements of the California Environmental Quality Act (CEQA, Public Resources Code Sections 21000 et seq.).
6. That as portrayed in the budgetary description(s) of the project(s) in Attachment B, the sources of funding other than TDA are assured and adequate for completion of the project(s).
7. That the project(s) described in Attachment B are for capital construction and/or design engineering; and/or for the maintenance of a Class I bikeway which is closed to motorized traffic; and/or for the purposes of restriping Class II bicycle lanes; and/or for the development or support of a bicycle safety education program; and/or for the development of a comprehensive bicycle and/or pedestrian facilities plan, and an allocation of TDA Article 3 funding for such a plan has not been received by the **City of Albany** within the prior five fiscal years.
8. That the project(s) described in Attachment B which are bicycle projects have been included in a detailed bicycle circulation element included in an adopted general plan, or included in an adopted comprehensive bikeway plan (such as outlined in Section 2377 of the California Bikeways Act, Streets and Highways Code section 2370 et seq.).
9. That any project described in Attachment B that is a “Class I Bikeway,” meets the mandatory minimum safety design criteria published in Chapter 1000 of the California Highway Design Manual.
10. That the project(s) described in Attachment B are ready to commence implementation during the fiscal year of the requested allocation.
11. That the **City of Albany** agrees to maintain, or provide for the maintenance of, the project(s) and facilities described in Attachment B, for the benefit of and use by the public.

Short Title Description of Project: Marin/Santa Fe Pedestrian Improvements Safe Routes to School Project

Amount of claim: \$ 14,421.

Functional Description of Project:

The project consists of the installation of a new traffic signal with protected left turns on Marin Avenue and count-down pedestrian signal heads at the intersection of Marin Avenue and Santa Fe Avenue in the vicinity of Marin Elementary School. The signal will feature five seconds of pedestrian advance time for students to enter the crosswalk without competing vehicular movements. In addition, bulb outs will be installed at the four corners of the intersection, high visibility pedestrian crossings will be installed at the intersection. Two solar speed feedback signs will be installed on Marin Avenue for traffic calming. The project also includes an educational component.

Financial Plan:

List the project elements for which TDA funding is being requested (e.g., planning, environmental, engineering, right-of-way, construction, inspection, contingency, audit). Use the table below to show the project budget. Include prior and proposed future funding of the project. If the project is a segment of a larger project, include prior and proposed funding sources for the other segments.

Project Elements: Pedestrian Bulb outs, speed feedback solar signs (2), curb ramps to comply with ADA, bike racks, traffic signal with protected left turns in the eastbound/westbound direction, and an educational component (Note: Funds stated below do not show the educational component of \$ 23,269).
