TRAFFIC & SAFETY COMMISSION MEETING

SUBJECT: Request to paint the 13-foot curb area red between the driveway at 404 and 406 Cornell Ave

WHEN: Thursday, October 25, 2012

TIME: 7:00 PM

WHERE: City of Albany City Hall Council Chambers
1000 San Pablo Avenue

The City of Albany has received a request to paint the curb area adjacent to 404 Cornell St red due to encroachment of parked vehicles into the adjacent driveways. One option would be to designate the space between 404 and 406 Cornell as a Motorcycle and Small Car space similar to the decision made for Adams St.

All persons interested in the foregoing are invited to attend the meeting on that day, or submit written comments to the Community Development Department attention to Aleida Andrino-Chavez.
