

# 2013 Arts & Green Festival Street Plan

Event 11am-3pm

In order to accommodate food trucks, we would like to block off the Northern portion of Portland Avenue between Ramona and Carmel. This compromise would allow the trucks and booths to locate on the relatively flat Westbound lane while still allowing Eastbound traffic and parking along the South edge of the street. Hours: 9am-4pm

We would leave Carmel Avenue open, but request control of the parking from the Memorial Hall Service Driveway to Portland to allow for exhibitor parking and a pick-up location for compost. Vehicles would be free to travel in both directions. Hours: 7am-4pm

Due to the “crowning” or extreme convex profile of Portland Avenue, it’s difficult to locate food trucks close to the curb.
