RESOLUTION NO. 2017-68

**A RESOLUTION OF THE CITY COUNCIL AMENDING THE CITY OF ALBANY
MASTER FEE SCHEDULE**

WHEREAS, the Master Fee Schedule includes certain fees to be charged for various Administration, Community Development, Public Works, Fire, Garbage and Recycling, General License and Business Regulation, Police and Parking, Recreation and Community Services, and Sewer and Storm Drain (Clean Water) permits and services; and

WHEREAS, on April 17, 2017 the City Council held a public hearing and approved the Master Fee Schedule for fiscal year 2017-2018; and

WHEREAS, proposed amendments address inadvertent omissions of fees related to electrical and mechanical construction from the final document produced for City council approval in April; and

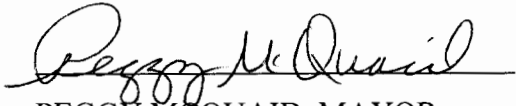

WHEREAS, proposed amendments eliminate the duplication of encroachment permit fees in two different sections of the Master Fee schedule; and

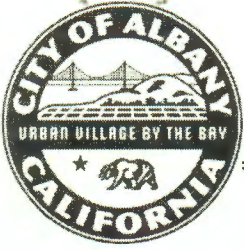

WHEREAS, proposed amendments correct a formatting error that resulted in the misalignment of columns in several Fire Department related fees; and

WHEREAS, the City Council has determined that the fees shall be set forth in a Master Fee Schedule for City services and further that they should be adjusted to meet, as close as possible, current costs of these various activities, and to recover costs associated with inflation.
