

# Make your home as comfy as your favorite chair.

See how much you can save before  
starting home upgrades. **Home Energy Score.**

U.S. DEPARTMENT OF ENERGY  
**Home Energy Score**

Know your home. Know your Score.

# \$250 REBATE toward a Home Energy Score

## Home Energy Score makes home upgrades easier.

On a 1 to 10 scale, you'll see how much energy your home is using now, and you'll receive a prioritized list of ways to make it more efficient and more comfortable. Recommendations may include:

- Gas On-Demand Water Heater
- Natural Gas Wall Heater or Ductless Heat Pump
- Attic or Wall Insulation
- Central AC
- Central Heat
- Duct Repair
- Pool Pump
- Air Sealing
