

Report on Meetings Attended Mayor Peggy McQuaid

League of CA Cities
September 12 – 14, 2018
Annual Conference
<https://www.cacities.org/>

I attended the following sessions at this conference

Tie into TIERS: A Guide to Practice Public Engagement

A comprehensive discussion on a variety of methods to bring everyone into the discussion around city issues

Hunt the Future: Accelerate from Status Quo to Status Go

A discussion of developing a civic culture that is both reactive and proactive

Getting the Most Value from your City's Technology Investment

A discussion of how to build an IT master plan and the value of planning ahead for upcoming changes

Bargaining Perspectives from a Union and a Management Expert

Discussion of the process of negotiations

Improving Civic Engagement in Diverse Communities

Discussion of ways to innovate and boost civic engagement among millennials and communities of color

Changing Face of Economic Development: Land Use, Sustainability, Housing

Discussion of state laws and mandates for development

The Present and Future of Legislating Police Culture

Panel discussion of legislation pertaining to police conduct, transparency and accountability

Unconscious Bias

A presentation on implicit bias and how it affects our lives
