Good Evening City Council My Name is Jeremiah Garrett-Pinguelo  
, I am a Long Time Community Member.  
Im An I.L.W.U LongShoreMen Working at the Port of Oakland Every Day, I am An "Essencial" Worker and Im  
Still Wondering Where I Can Take a Shower after Work? I havent Showered Since March 9th ,2020...  
My World is Upside Down and I Have No Shower to be ThankFull for, how do I remain Optomistic When You  
"the CITY OF ALBANY Say You Did All You Could ..  
Where is the "Love and Compassion"?  
Where is Your "Eternal Gratitude?"  
Im Making The "Sacrafice" of Not Showering Every Day to go to Work and Help Unload Container Ships full of  
Toilet-Paper so You can Keep Up Your Personal Hygene...  
And What About Albany Social Services, if They are So "Robust" Why Cant I Take a Shower?  
How is a Teddy Bear or a Rainbow in a Window Giving Me HOPE on Taking a Shower?  
You Say "Your Ready to Help in Any Way We Can" ...  
So , All Im Asking is, Where May I Please Take A Shower?  
So Ask Yourself as Elected Officials  
How are You "Meeting this Moment"?
