CITY OF ALBANY
MANAGEMENT AND CONFIDENTIAL EMPLOYEES
BENEFITS BOOKLET

POSITIONS COVERED

This booklet includes summary benefits for all management and confidential employees of the City of Albany (“City”). Management and confidential employees include the City Manager, Assistant City Manager, Fire and Police Chiefs, Department Heads, Department Managers and Supervisors, Human Resources Technician and all other management and confidential positions as designated by the City Manager/Executive Director or his/her designee.

MEDICAL INSURANCE

Minimum Employer Contribution

The City shall provide medical insurance through the Public Employee’s Medical and Hospital Care Act (PEMHCA). Under PEMHCA, the City is required pay a Minimum Employer Contribution (MEC) for all eligible active employees enrolled in the plan. The MEC is determined by CalPERS and is typically updated each calendar year. For the 2022 plan year, the MEC is \$149.00/month, per eligible enrolled employee.

Flexible Benefits Plan

In addition to the MEC, the City shall contribute up to the below-listed amount per month toward the cost of a Medical plan through PEMHCA:

| | |
|---------------------------|----------------------------------|
| Employee only | Kaiser Bay Area single rate |
| Employee plus one | Kaiser Bay Area two-party rate |
| Employee plus two or more | Kaiser Bay Area family (2+) rate |

The City’s contribution includes the MEC listed above and will cover up to the entire premium for the Kaiser Bay Area plan or can be applied toward another health plan offered through PEMHCA.

Regular part-time employees shall receive a pro-rated health premium contribution depending upon their designated hours of work, with the remaining premium to be deducted from the second payroll check of the month for the following month’s coverage.

ALTERNATE BENEFIT IN LIEU OF MEDICAL INSURANCE

An employee eligible for Medical who opts to waive participation because the employee has health plan coverage as a result of being an eligible dependent can waive his/her participation in the City’s medical plan and elect the City’s alternate benefit. To participate in this program, the employee shall sign a waiver, provided by the City, of health plan coverage and shall provide proof of health plan coverage for him/herself which shall be confirmed annually before January 1 of each year. Proof of other coverage must show that the employee and all individuals in the employee’s expected tax return have (or will have) minimum essential coverage.

Employees who elect the alternate benefit shall receive elective paid leave as follows:

- Each month, the employee will be credited with the number of hours of elective paid leave equivalent to the single rate for the Kaiser Bay Area PEMHCA plan rounded to the nearest dollar;

- For example: If the Kaiser Bay Area PEMHCA single party rate is \$750 and the employee's hourly rate is \$25/hour, the employee will be credited with 30 hours per month of elective paid leave.
- Elective paid leave may be used as normal discretionary leave – however, all other discretionary leave (i.e., vacation and compensatory time off) must be used first;
- All accrued but unused elective paid leave will be paid out in the calendar year in which it is earned:
 - Each quarter, the City will cash out all accrued but unused elective paid leave at the rate at which it was earned (in the example above, payout would be at \$25/hour). Cash Outs will be processed the last payroll in March, June, September, and December.
 - Any accrued but unused elective paid leave remaining at the end of the calendar year will be paid out at the rate it was earned in the last pay period of the calendar year.

DENTAL PLAN

The City shall contribute 100% of the dental insurance premium for eligible full-time employees and his/her eligible dependents. Regular part-time employees – employees working a minimum of 1,000 hours per fiscal year but working less than full-time – shall receive a pro-rated dental premium contribution depending on their designated hours of work, with the remaining premium to be deducted from the second payroll check of the month for the following month's coverage.

SUPPLEMENTAL ORTHODONTIA REIMBURSEMENT PLAN

The City will reserve up to \$10,000.00 each fiscal year to provide reimbursement for employees' receipted costs for family orthodontia expenses over the dental payment limit of \$1,500.00. Eligible employees can be reimbursed up to \$1,000.00 per covered individual per lifetime for orthodontia upon proof of expense and limit reached on primary and second insurance. Reimbursement will be at the same percentage rate as the dental coverage (currently 60%). The orthodontia reserve account will be on a first come first serve basis. If funds are unavailable in one fiscal year, expenses may be submitted in the next fiscal year.

Should the State and Federal governments change the date of which any of the above holidays are to be celebrated, the City schedule would be modified accordingly. However, if only one of these entities makes a change, no modification in the schedule will result.

Should any holiday fall on a Sunday, the Monday following will be observed as the holiday. Should any holiday fall on a Saturday, the Friday preceding will be observed as the holiday. In the case of an employee having days off other than Saturday and Sunday, said employee will be afforded one additional day off for each holiday that falls on his/her regular day off. Time for taking such holiday will be scheduled at the discretion of the City Manager/Executive Director or designee.

Floating holidays must be taken during the calendar year in which earned or will be forfeited.

Regular part-time employees will receive a pro-rated basis depending upon their designated hours of work.

VACATION LEAVE

The purpose of annual vacation is to enable each eligible employee to return to his/her work physically and mentally refreshed. The time at which an employee shall take his/her vacation during a calendar year shall be determined with due regard to the wishes of the employee, the date of application for a specific vacation period, the seniority of employees, both in the department and in the City, and with particular regard for the needs of the department. Regular part-time employees shall accrue vacation in the amount proportionate to the ratio of scheduled hours of work per week to the standard workweek.

The vacation accrual rate for regular, full-time employee shall be:

| Years of Service | Accrual Rate |
|-------------------------|---|
| 0 through 3 | Accrue 3.38 hours per pay period. (11 days) |
| 4 through 8 | Accrue 4.92 hours per pay period. (16 days) |
| 9 through 13 | Accrue 5.54 hours per pay period. (18 days) |
| 14 through 18 | Accrue 6.15 hours per pay period. (20 days) |
| 19 and thereafter | Accrue 6.77 hours per pay period. (22 days) |

Cash Option

If a management employee received a satisfactory performance evaluation during the last rating period, in lieu of taking paid time off, the employee may submit a *Vacation Leave Cash Option* form to payroll that has been approved and signed by his/her immediate supervisor to cash out up to an additional 80 hours of vacation leave, so long as after cashing out the employee has a minimum of 80 hours remaining in his or her accrual bank. Employees may choose to cash out up to two times per calendar year.

Vacation/Miscellaneous Requirements

The City Manager/Executive Director or designee is allowed to change vacation leave to sick leave in the event an employee, while on vacation, becomes ill to the point the City Manager/Executive Director or designee is convinced such employee would not normally be capable of performing his/her work duties were he/she at work.

When the total vacation ends with a fraction of a working day, the vacation shall be computed to the nearest one-half hour.

The vacation privileges granted by this section shall be confined to regular salaried employees who have worked for the City during the year for normal hours of work for employees. In computing time, no deductions shall be made for holidays, paid vacation, normal sick leave, and industrial disability leave. In computing vacation leave, no accumulation shall be made for leaves of absence without pay.

If an employee is unable to take his/her scheduled annual vacation because of circumstances within the department or for personal reasons, such annual vacation may be allowed at a later date when convenient to the department. This will allow consideration by the City of a request from an employee to carry over vacation solely for the convenience of the employee to facilitate a longer vacation period in a subsequent year, providing the City Manager/Executive Director or designee agrees for such a vacation carry over.

The maximum allowable vacation accrual will be 300 hours as of the end of the pay period that includes December 31st each year. Employees may accrue more than 300 hours during the calendar year provided that the employee's accrual is not more than 300 hours by the end of the pay period that includes December 31st each year. Should an employee have an accrual in excess of 300 hours at that time, such employee will not accrue any further vacation until his/her accrual is at or below 300 hours.

An employee nearing or over the vacation accrual cap may request of the City Manager/Executive Director or designee accrual beyond the cap. Each case will be considered individually, and the City Manager/Executive Director or designee may authorize accrual beyond the cap.

ADMINISTRATIVE LEAVE

FLSA-Exempt employees shall receive Administrative Leave at the beginning of each calendar year, based on the following vesting schedule:

- Employees with less than 10 years of public agency employment experience – 80 hours
- Employees with 10 - 14 years of public agency employment experience – 90 hours
- Employees with 15+ years of public agency employment experience – 100 hours

“Public agency employment experience” in this section is defined as with any public agency.

In effect, the City has a “use it or lost it” approach to Administrative Leave. The leave must be used during the calendar year in which it was earned or will be forfeited.

A newly hired or newly promoted management employee will receive a proportional amount of Administrative Leave. Said amount is determined by taking the number of full pay periods remaining in the calendar year divided by the number of total pay periods for that calendar year and multiplying that ratio to the total number of Administrative Leave hours available. The result is rounded to the nearest hour and credited to the employee's leave bank.

“Calendar year” means January 1 through December 31 with modifications as related to the beginning of the first pay period of the year. For example, December 27, 2021 was the beginning of the “calendar year” for payroll year 2022.

Administrative Leave is not a vested benefit. Except as expressly described under Cash Option, below, there is no payout of Administrative Leave.

Use of Administrative Leave

The use of Administrative Leave requires the prior approval of the employee's immediate supervisor. Administrative Leave may be used during any pay period of the calendar year.

Cash Option

A maximum of 40 hours Administrative Leave may be taken as additional salary in lieu of paid time off. An employee who wishes to exercise the Cash Option must have been employed by the City in a management position a minimum of three months and must submit an *Administrative Leave Cash Option* form to payroll that has been approved and signed by his/her immediate supervisor.

Additionally, if a management employee had a satisfactory performance evaluation during the last rating period, in lieu of taking paid time off, the employee may submit an *Administrative Leave Cash Option* form to payroll that has been approved and signed by his/her immediate supervisor to cash out an additional:

| Years of Service Between | Administrative Leave |
|---------------------------------|-------------------------------------|
| 0 to 4 years of service | no additional pay out |
| 5 to 9 years of service | may cash out an additional 20 hours |
| 10 or more years of service | may cash out an additional 40 hours |

“Years of service” in this section is defined as with the City of Albany. A management employee moves his/her eligibility to the next tier, for example, following his/her four or nine-year anniversary and entering into his/her fifth or tenth year of City of Albany.

For employees with increased Administrative Leave due to public agency experience, an additional pay out equal to the leave accrual over 80 hours may be taken. For example, an employee with 10-14 years of public agency experience and accrues 90 hours of Administrative Leave may cash out an additional 10 hours.

Payroll will process the cash option request with the next available payroll cycle. Only two Cash Option requests per calendar year will be honored.

SICK LEAVE

Regular employees who work more than 1,000 hours per fiscal year shall be entitled to accrue sick leave in the amount of 8 hours for each calendar month of employment with the City, accumulative to 1,440 hours.

When the leave provided for in this section extends to more than 3 working days, the employee shall furnish his/her supervisor or the City Manager/Executive Director or designee with satisfactory medical evidence that the leave was necessary. The supervisor or the City Manager/Executive Director or designee shall have the right to investigate and determine the extent of an employee's illness who is claiming benefits under this section.

In computing sick leave, no accumulation shall be made for leaves of absence without pay. Regular part-time employees shall be eligible to accrue sick leave in the same proportion as their scheduled and worked hours per week relate to the standard workweek.

Use of Sick Leave

An employee may, at the discretion of his/her supervisor or City Manager/Executive Director or designee, use Sick Leave for illness, injury, medical appointments, or childbirth in his/her immediate household. Immediate household is defined as an employee's parent, spouse, registered domestic partner, child (including adopted, foster or step child), parent-in-law, sister, brother, sister-in-law, brother-in-law, grandparents, or anyone who has acted in the capacity of an immediate family member. Such usage of Sick Leave shall be within the amounts allowed to be accumulated under this Section. This is not considered additional days off.

Use of Vacation

Vacation leave may be used toward an employee's absence from work due to sickness, accident, or disability if the employee does not have available accrued sick leave.

Sick Leave Buyback

Upon retirement from regular City service, as defined by CalPERS, an employee shall be entitled to compensation for one-quarter of the accumulated Sick Leave on the books at the time of such retirement, and at his/her regular salary on said retirement date. The remaining hours will be reported to PERS for additional service credit. This calculation is as follows: remaining sick leave hours divided by 8 equals number of days reported.

BEREAVEMENT LEAVE

The City Manager/Executive Director or designee may grant leave of absence, with pay, to employees as follows:

- (1) In the event of the death of a member of the immediate family, a leave not to exceed 7 calendar days, for employees. Immediate family means spouse, registered domestic partner, child (including adopted, foster or step child), parent, parent-in-law, sister, brother, sister-in-law, brother-in-law, grandparents, or anyone who has acted in the capacity of an immediate family member.
- (2) In special cases, bereavement leave may be granted to attend funeral and memorial services of persons not included with the immediate family.

JURY DUTY

An employee called for service as a juror, or as a witness under a subpoena in a criminal case, is hereby granted a leave for that period required by the court. During such period, the employee shall be entitled to normal pay; however, he/she shall remit to the City the jury or witness fee (excluding mileage allowance) received for jury or witness duty served while on such full pay status with the City.
