

Greetings Albany Voters, My Name is Jeremiah Garrett-Pinguelo. I've Lived in Albany for Over 30 Years. I Graduated From Albany High School In 2001. I Attended CSU Long Beach, Where I Studied my Passion of Civil Engineering. Shortly After Graduating, I Began My Career with The International Longshore Warehouse Union Local-75 at the Port of Oakland & San Francisco.

During The 2020-2022 Election, I Was Nominated and Appointed by the Albany Unified School District Board of Education Serving the Community on an Advisory Body to Albany City Council Named the "Social & Economic Justice Commission". There I Have Served On Many Sub-Committees Such as "Housing", "Youth-Leadership", "Mental-Health". I've Spent Years Volunteering at the Gill Tract Farm in The UC-Village, Where I Was Their First "Community-Outreach-Organizer".

Some of My Main Goals are to Connect Albany Residents with Free Food & Other Critical Resources. I'd Also Like to See More Youth & Senior Programs. If You Want to Meet Me, I'm Always On Solano & Talbot Every Thursday 2pm-5pm Passing Out Free Food to Community Members, Including Those Who are Un-Housed. I Also Attend Pretty Much Every Public Meeting Albany has to Offer, So I Am Very Well Rounded About Everything Going On in Albany.
