

FOR MEMBER OF THE CITY COUNCIL

JENNIFER HANSEN-ROMERO

AGE: 49

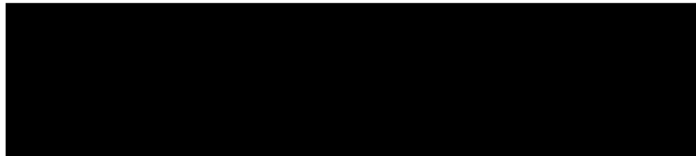

Occupation: Real Estate Agent

I am a third generation Albany native, AUSD alumni, and mother of two Albany students. I love my community and am grateful for my involvement in many meaningful programs throughout our city. I am a Girl Scout troop leader, a board member of the Albany Historical Society, and a Blue Glove Crew volunteer – picking up trash to keep our streets clean. I have also served as the volunteer President for the Solano Avenue Association since 2015, which has given me the opportunity to focus on local commerce, creating programs and events that highlight and drive traffic to our vibrant Albany businesses.

Professionally, I am a Real Estate Agent with Winkler Real Estate Group, specializing in the Albany market and surrounding areas. I truly enjoy welcoming new residents and helping them acclimate to our amazing community.

If elected, I will work to increase awareness and education about local government, and I will weigh differing opinions with consideration and transparency. I look forward to hearing the concerns of our citizens, always seeking diverse opinions to ensure that new policies reflect the values of our Albany community. I will move Albany forward while preserving what we all love about our unique city.

Jennifer Hansen-Romero
