

FOR MEMBER OF THE BOARD OF EDUCATION

RON ROSENBAUM

Occupation: Educator

Experience. Integrity. Ethics. Honesty. These words describe the values I will bring to the Albany Board of Education.

I am a long time member of the Albany community and a long time public educator. I have been a public school classroom teacher, a counselor at the middle and high school levels, and a high school administrator, including Principal of Albany High School, and acting Principal at AHS during a critical period in 2017. I was a member of the AUSD Board of Education for 9.5 years, and served as President of the Board for 3 of those years.

I believe I bring an outstanding understanding of public education and of the Albany community to the Board, with the goals of ensuring and guaranteeing that *all* students have the opportunity to achieve at the highest level and develop critical thinking skills in safe, inclusive, and equitable school environments.
