PUBLIC MEETING GUIDELINES

Albany Advisory Body meetings are conducted in person at City Hall Council Chambers. As a courtesy, and technology permitting, members of the public may continue to participate virtually. However, the City cannot guarantee that the public's access to teleconferencing technology will be uninterrupted, and technical difficulties may occur from time to time.

1. CALL TO ORDER / ROLL CALL / LAND ACKNOWLEDGEMENT

"The City of Albany recognizes that we occupy the land originally protected by the Confederated Villages of Lisjan. We acknowledge the genocide that took place on these lands and must make strides to repay the moral debt that is owed to this indigenous people, specifically the Ohlone Tribe. We thank them for their contributions which have transformed our community, and will continue to bring forth growth and unity. The City of Albany commits to sustaining ongoing relationships with the Tribe and together build a better future for all that now make this their home."

2. PUBLIC COMMENT

For persons desiring to address the Commission on an item that is not on the agenda please note that each speaker is limited up to three (3) minutes. The Brown Act limits the Commission ability to take and/or discuss items that are not on the agenda; therefore, such items are normally referred to staff for comment or to a future agenda.

3. PRESENTATION

3-1. Welcome New Commissioners

3-2. Monthly Police Data on Collisions and Citations

4. CONSENT CALENDAR

Consent Calendar items are considered routine and will be enacted by one motion. By approval of the Consent Calendar, the staff recommendations will be adopted unless otherwise modified by the Commission. There will be no separate discussion on these items unless a member of the Commission or a member of the audience requests removal of the items from the Consent Calendar.

4-1. Transportation Commission Meeting Minutes of May 25, 2023

TRANSPORTATION COMMISSION

City Hall Council Chambers
1000 San Pablo Avenue, Albany CA

Recommendation: That the Transportation Commission approve the meeting minutes for the meeting of May 25, 2023.

5. DISCUSSION AND POSSIBLE ACTION ON MATTERS RELATED TO THE FOLLOWING ITEMS:

5-1. Proposed Amendments to General Plan and Zoning Ordinance Modifying Off-Street Parking Requirements

Staff will present proposed amendments to codify changes to parking regulations in response to Assembly Bill (AB) 2097. AB 2097, which was passed into law in 2022, eliminated off-street parking requirements within a half mile of major transit stops. The proposed General Plan amendments and Planning and Zoning Code amendments would remove minimum parking requirements citywide, except for the racetrack/Waterfront zoning district. It also establishes maximum parking requirements for multifamily, commercial, industrial, and public uses.

Recommendation: That the Commission recommend that the City Council approve amendments to the Transportation Element of the General Plan and amendments to Chapters 20.20 and 20.28 of the Zoning Ordinance to modify off-street parking requirements.

5-2. Formation of a Subcommittee Related to Zero Emission Transportation

This item is in response to a request from the Zero Emission Transportation Subcommittee of the Climate Action Committee which is focused on strategies to reduce carbon emissions from transportation. Staff will present rules related to subcommittees of multiple advisory bodies discussing topics of joint interest.

Recommendation: That the Commission consider the formation of an ad-hoc subcommittee.

5-3. Review of 2021 and 2022 Vehicle Injury Collision Data

Staff will present an analysis of 2021 and 2022 vehicle injury collision data.

Recommendation: For discussion only.
