

**CITY OF ALBANY
CITY COUNCIL AGENDA
STAFF REPORT**

Agenda Date: January 16, 2024
Reviewed by: NA

SUBJECT: Fire Department Vehicle Purchase

REPORT BY: James Boito, Fire Chief

SUMMARY

The item before the Council is the authorization to purchase one (1) 2024 Chevrolet Tahoe and equip it with emergency lighting, radios, signage and mobile gateways to replace the current command vehicle.

STAFF RECOMMENDATION

That the Council adopt Resolution No. 2024-07:

1. Authorizing the City Manager to execute an agreement with Dublin Automotive Group to purchase one (1) 2024 Chevrolet Tahoe for the total price of \$71,178.05 including tax; and
2. Authorizing the use of Fire Equipment Reserve Fund 2204 in the amount of \$52,677.36

BACKGROUND

In 2014 a Chevrolet Tahoe was purchased for use by the Fire Chief. This vehicle has been in service since June of 2014 and currently has over 140,000 miles. This vehicle is typically utilized for the day-to-day operations of the Fire Chief, various fire prevention activities, operational tasks, County and State meetings, and transporting personnel for strike team crew rotations. Over the last several years maintenance and repair costs have escalated.

DISCUSSION/ANALYSIS

This vehicle is utilized by the Fire Chief as the primary mode of transportation when performing essential duties and functions required by the position. Examples of these uses are functioning as the command vehicle on incidents, emergency response, transportation of dignitaries, business inspections, attendance of many county meetings related to fire department operations, disaster preparedness and out of county emergency crew rotations, throughout the State of California. As the City of Albany and the County have grown, it has become increasingly necessary for the Fire Chief & Emergency staff to attend various Regional & County level meetings outside the city limits.

SUSTAINABILITY CONSIDERATIONS

The purchase of this vehicle provides a change from an unleaded gasoline fuel source to renewable diesel, providing increased fuel efficiency, and lower annual fuel costs. Renewable diesel is produced using renewable, organic oils (e.g. canola oil), in contrast to petroleum gasoline or petroleum-based diesel. Renewable diesel is also distinct from “biodiesel.” The two are both made from organic oils but they are processed differently and biodiesel needs to be blended with petroleum. The lifecycle greenhouse gas emissions of all four types of fuel can vary considerably, but emissions from renewable diesel can be up to 80% lower than petroleum diesel and gasoline. The Chevrolet Tahoe diesel emissions, independent of the Renewable Diesel, are far less than our current Tahoe and in-line with modern exhaust emission requirements for the State of California.

Starting this year, local governments are required by the California Air Resources Board Advanced Clean Fleets Regulation to ensure that 50% of annual vehicle purchases are zero-emission vehicles. This increases to 100% by 2027. However, emergency vehicles are exempt from the requirement, so this vehicle purchase would not be affected.

FINANCIAL CONSIDERATIONS

The total cost to purchase the 2024 Chevrolet Tahoe and equip it with emergency lighting, signage, radios and mobile gateway will not exceed \$85,000. The vehicle and equipment will be purchased with \$32,322.64 from the approved fiscal year 2024 Fire Department equipment budget and \$52,677.36 from the Fire Equipment Reserve Fund 2204. There is currently \$90,000.00 in this reserve fund.

RESOLUTION NO. 2024-07

**A RESOLUTION OF THE ALBANY CITY COUNCIL AUTHORIZING
THE CITY MANAGER TO EXECUTE AN AGREEMENT WITH DUBLIN
AUTOMOTIVE GROUP TO PURCHASE ONE (1) 2024 CHEVROLET TAHOE
AND ALLOCATING FUNDS FROM THE USE OF FIRE EQUIPMENT
RESERVE FUND 2204**

WHEREAS, the vehicle used for the day-to-day operations purchased in 2014 used by the Fire Chief has over 140,000 miles; and

WHEREAS, over the last several years, maintenance and repair costs have escalated; and

WHEREAS, the Fire Chief vehicle is used to perform essential duties and functions required by the position.

NOW, THEREFORE, BE IT RESOLVED, that the Albany City Council hereby authorizes the City Manager to execute an agreement with Dublin Automotive Group to purchase one (1) 2024 Chevrolet Tahoe for the total price of \$71,178.05 including tax; and

BE IT FURTHER RESOLVED, that the Albany City Council authorizes the use of Fire Equipment Reserve Fund 2204 in the amount of \$52,677.36 to provide partial funding for the purchase with the remaining funding in the amount of \$32,322.64 included within the departmental equipment budget; and

BE IT FURTHER RESOLVED, that the total cost of the vehicle including equipping with emergency lighting, signage, radios and mobile gateway will not exceed \$85,000.
