SUBJECT: Establishment of CIP Project No. 25015, Authorization for Professional Services Contracts with Zoon Engineering and BKF Engineering for Jackson Street Bikeway Design, and Appropriation of Allocated Alameda County Transportation Commission (Alameda CTC) Funds

REPORT BY: Justin Fried, Transportation and Sustainability Manager
Allison Carrillo, CIP Manager
Devora Zauderer, Program Manager

SUMMARY

The Jackson Street Bikeway Project is a part of the Alameda County Transportation Commission (Alameda CTC) San Pablo Avenue Multi-Modal Corridor Project. The City of Albany is partnering with Alameda CTC and the University of California, Berkeley to design and construct the project.

The actions before the City Council are to establish CIP Project No. 25015, appropriate \$900,000 in Alameda CTC pre-construction funds allocated by that agency for the project from their Measure BB and Vehicle Registration Fees (VRF) reserves, and authorize the City Manager to enter into professional services contracts with Zoon Engineering and BKF Engineering for time and materials not to exceed \$100,000 and \$300,000 respectively for the Jackson Street Bikeway in University Village adjacent to the graduate student housing project.

STAFF RECOMMENDATION

That the City Council adopt Resolution 2024-20:

1. Establishing CIP Project No. 25015 for the Jackson Street Bikeway Project in University Village on Jackson Street from Buchanan Avenue to the City Limits at 8th Street; and
2. Authorizing the City Manager to execute Contract No. C24-15 with BKF Engineers for detailed design services in the amount of \$300,000; and
3. Authorizing the City Manager to execute Contract No. C24-16 with Zoon Engineering for project management services in the amount of \$100,000; and
4. Appropriating \$900,000 in Alameda CTC Measure BB and VRF funds allocated to Albany for pre-construction on the project.

BACKGROUND

In early 2021, University of California Berkeley staff began finalizing project plans and initial designs for graduate student housing in University Village at the corner of Jackson Street and Monroe Street. The housing project is being developed as a public-private partnership between the University and American Campus Communities (ACC), which is a private student housing development company.

On May 25, 2023, Alameda County Transportation Commission approved the 2024 Comprehensive Investment Plan, which included pre-construction funding for this project as part of the San Pablo Avenue Multi-Modal Corridor Project. Following this action, Alameda CTC approved additional funds on July 20, 2023, for a total allocation of \$900,000 toward the Preliminary Engineering/Environmental (PE/Env) and Plans, Specifications and Estimate (PS&E) phases of the project.

Simultaneously, in early June 2023, the concept received preliminary agreement from the University of California (UC) Berkeley Rausser College of Natural Resources (which manages the Gill Tract) to utilize additional frontage from the Gill Tract, enabling a path alignment that allows for a parallel parking lane. Upon receiving preliminary agreement on the Gill Tract frontage, staff began outreach to University Village residents in coordination with UC staff, including presenting to residents at University Village Albany Safety Day on August 19. City and UC Berkeley staff have also been coordinating this effort with the graduate student housing developer, American Campus Communities.

On October 2, 2023, the City Council approved the conceptual design for the Jackson Street Bikeway and directed city staff to work with UC Berkeley on implementation.

On October 16, 2023, the City Council adopted Resolution No. 2023-71 authorizing the City Manager to enter into contract with BKF Engineering to prepare designs for the bikeway adjacent to the graduate student housing for installation by American Campus Communities. Designs were completed in December 2023 and provided to UC Berkeley staff and the developer for implementation.

Subsequent to the conceptual design presented to City Council on October 2, 2023, UC Berkeley authorized the removal of trees at the corner of Jackson Street and Monroe Street and the continuation of the path all the way to the corner. No other major changes occurred with preparation of the detailed designs.

On December 4, 2023, the City Council adopted Resolution No. 2023-75 authorizing the City Manager to enter into a Memorandum of Understanding for the City to lead – with reimbursement from Alameda County Transportation Commission – the preconstruction phases of the Jackson Street Bikeway Project.

DISCUSSION

CIP Project

Jackson Street between Buchanan Street and the Berkeley border is owned and maintained by the University - it is not a city right-of-way. Nonetheless, the City has an interest in completing active transportation connections for residents and has a history of leading development of active transportation projects in collaboration with the University within University-owned property, including along Codornices Creek.

Albany staff began working with UC staff to discuss the potential for completing segments of the active transportation network in relation to the graduate student housing project. In December 2021, Councilmembers Jordan and Nason joined with UC Berkeley campus leadership and Alameda CTC staff to visit the site and facilitated an agreement to advance the project.

Parisi Transportation Consulting was tasked with developing an alternatives analysis which was presented to UC Berkeley staff. At UC Berkeley staff's request, south of Monroe is to remain as a future phase to allow flexibility for the alignment. Concurrently, the Alameda County Transportation Commission San Pablo Corridors Project began developing concepts for parallel bicycle route improvements which include Jackson Street through University Village.

Conceptual plans were presented to City Council on October 2, 2023, for approval and detailed designs for the segment adjacent to the graduate housing quickly progressed from there.

The CIP project is for a shared use path on the east side of Jackson Street between Ohlone Avenue and Buchanan Street and for striping in-lane connections from Monroe Street to the Codornices Creek path and terminus of the 8th Street Bicycle Boulevard segment in the City of Berkeley.

BKF Engineers

BKF is a full-service civil engineering firm, with a history of designing projects in Albany, including several decades of work in University Village. Due to BKF's unique familiarity with the student housing project and site conditions, the City utilized BKF to prepare the design of the adjacent bikeway.

BKF successfully completed the design for the bikeway adjacent to the graduate housing project under a very aggressive timeline. Given their background on the project, their successful completion of the design of the first segment, familiarity with the relevant stakeholders, and their expertise in preparing plans for federally-funded transportation projects, staff asked BKF to prepare a scope of work to continue working with the City on the design of the adjacent segment. Staff has reviewed the scope and recommends continuing with BKF Engineering on this project.

Zoon Engineering

Zoon Engineering is a firm based in Emeryville specialized in project and construction management support. Zoon has supported the City on various complex projects requiring higher levels of coordination and federal oversight, including the San Pablo Avenue Pedestrian Improvements project which involves federal funding and Caltrans review. This will be critical expertise in preparing the Jackson Street Bikeway as a project eligible for federal funding which has been secured for the Alameda County Transportation Commission's San Pablo Avenue Parallel Bicycle Routes project. Staff from Zoon has already successfully supported the City in the preparation of the design for the bikeway segment along the graduate student housing project and initiating Caltrans review processes for this segment under Contract C23-58.

ENVIRONMENTAL CLEARANCE

The proposed project is expected to be determined to be exempt from the requirements of the California Environmental Quality Act (CEQA) and the National Environmental Policy Act (NEPA). Documentation of environmental clearance will be part of the work to prepare the project for construction.

SUSTAINABILITY CONSIDERATIONS

The City's Climate Action Plan Action 1.1.2 calls for the expansion and enhancement of low stress bicycle infrastructure facilities throughout the City. Providing cycling facilities separated from vehicle traffic along the Slow Bikeways Network improves cyclist safety, helping to support cycling as a viable alternative to short motor vehicle trips.

SOCIAL EQUITY AND INCLUSIVITY CONSIDERATIONS

The proposed project improves bicycle and pedestrian safety for the diverse population of residents that rent apartments in University Village.

CITY COUNCIL STRATEGIC PLAN INITIATIVES

This project implements cycling network improvements identified in the Active Transportation Plan.

Strategic Plan Goal 3: Promote Streets that Support Safety & Transportation Mobility Options.

FINANCIAL CONSIDERATIONS

In January 2024, the City entered into a Memorandum of Understanding with Alameda CTC regarding the Jackson Street Bikeway Project. Alameda CTC has agreed to provide funding for the project, outside of the normal Direct Local Distributions passed through to the City annually. The funds are allocated as follows:

Funding Source	Allocation Amount	Project Phase
Measure BB TEP-26 funds	\$200,000	Preliminary Engineering/ Environmental (PE/Env)
Measure BB TEP-26 funds	\$400,000	Plans, Specifications and Estimate (PS&E)
Vehicle Registration Fee (VRF) Bicycle and Pedestrian Funds	\$300,000	Preliminary Engineering/ Environmental (PE/Env)
Total:	\$900,000	

Funding for the project will be issued to the City on a reimbursement basis for expenditures incurred, as per the adopted Memorandum of Understanding (MOU). Coordination with Alameda CTC, University of California Berkeley, and consultant engineers will continue to require staff time under existing department budgets.

CONSULTANT shall have no authority to bind CITY in any manner, nor to incur any obligation, debt or liability of any kind on behalf of or against CITY, whether by contract or otherwise, unless such authority is expressly conferred under this AGREEMENT or is otherwise expressly conferred in writing by CITY.

(b) The personnel performing the services under this AGREEMENT on behalf of CONSULTANT shall at all times be under CONSULTANT's exclusive direction and control. Neither CITY, nor any elected or appointed boards, officers, officials, employees or agents of CITY, shall have control over the conduct of CONSULTANT or any of

SECTION 12. UNAUTHORIZED ALIENS.

CONSULTANT hereby promises and agrees to comply with all of the provisions of the Federal Immigration and Nationality Act, 8 U.S.C.A. §§ 1101, et M., as amended, and in connection therewith, shall not employ unauthorized aliens as defined therein. Should CONSULTANT so employ such unauthorized aliens for the performance of work and/or services covered by this AGREEMENT, and should any liability or sanctions be imposed against CITY for such use of unauthorized aliens, CONSULTANT hereby agrees to and shall reimburse CITY for the cost of all such liabilities or sanctions imposed, together with any and all costs, including attorneys' fees, incurred by CITY.

SECTION 13. PAYMENT OF A LIVING WAGE; FAILURE TO COMPLY.

By its signature hereunder, CONSULTANT certifies that it is aware of the CITY ordinance requiring all consultants who meet certain eligibility guidelines to pay covered employees a living wage as enumerated in the ordinance, and agrees to comply with such provisions before commencing the performance of work and/or services covered by this AGREEMENT. CONSULTANT agrees to provide CITY with documents and information verifying compliance with the requirements of the ordinance upon a request by CITY for such verification. CONSULTANT understands that failure to comply with any or all of the requirements of CITY'S living wage ordinance may result in sanctions including termination of the contract and the CITY'S or covered employees' pursuit of any available legal remedies. CONSULTANT further agrees to notify each of its affected employees in writing, upon commencement of performance of work and/or services covered by this AGREEMENT, of CONSULTANT'S obligation to pay a living wage as set forth in the CITY ordinance. This provision shall not be construed to limit CONSULTANT'S discretion to provide greater wages or benefits to its employees. Notwithstanding anything to the contrary, this provision shall not apply to work or services subject to state prevailing wage law codified at Labor Code sections 1720 *et seq.* and 1770 *et seq.*

SECTION 14. CONFLICTS OF INTEREST.

(a) CONSULTANT covenants that neither it, nor any officer or principal of its firm, has or shall acquire any interest, directly or indirectly, which would conflict in any manner with the interests of CITY or which would in any way hinder CONSULTANT'S performance of services under this AGREEMENT. CONSULTANT further covenants that in the performance of this AGREEMENT, no person having any such interest shall be employed by it as an officer, employee, agent or subcontractor without the express written consent of the City Manager. CONSULTANT agrees to at all times avoid conflicts of interest or the appearance of any conflicts of interest with the interests of CITY in the performance of this AGREEMENT.

(b) CITY understands and acknowledges that CONSULTANT is, or may be, as of the date of execution of this AGREEMENT, independently involved in the performance of non-related services for other governmental agencies and private parties. CONSULTANT is unaware of any stated position of CITY relative to such projects. Any future position of CITY on such projects shall not be considered a conflict of interest for purposes of this section.

SECTION 15. CONFIDENTIAL INFORMATION AND RELEASE OF INFORMATION.

(a) All information gained or work product produced by CONSULTANT in performance of this AGREEMENT shall be considered confidential, unless such information is in the public domain or already known to CONSULTANT. CONSULTANT shall not release or disclose any such information or work product to persons or entities other than CITY without prior written authorization from the City Administrator, except as may be required by law.

(b) CONSULTANT, its officers, employees, agents or subcontractors, shall not, without prior written authorization from the City Manager or unless requested by the City Attorney of CITY, voluntarily provide declarations, letters of support, testimony at depositions, response to interrogatories or other information concerning the work performed under this AGREEMENT. Response to a subpoena or court order shall not be considered "voluntary" provided CONSULTANT gives CITY notice of such court order or subpoena.

(c) If CONSULTANT, or any officer, employee, agent or subcontractor of CONSULTANT, provides any information or work product in violation of this AGREEMENT, then CITY shall have the right to reimbursement and indemnity from CONSULTANT for any damages, costs and fees, including attorneys fees, caused by or incurred as a result of CONSULTANT's conduct.

(d) CONSULTANT shall promptly notify CITY should CONSULTANT, its officers, employees, agents or subcontractors be served with any summons, complaint, subpoena, notice of deposition, request for documents, interrogatories, request for admissions or other discovery request, court order or subpoena from any party regarding this AGREEMENT and the work performed thereunder. CITY retains the right, but has no obligation, to represent CONSULTANT or be present at any deposition, hearing or similar proceeding. CONSULTANT agrees to cooperate fully with CITY and to provide CITY with the opportunity to review any response to discovery requests provided by CONSULTANT. However, this right to review any such response does not imply or mean the right by CITY to control, direct, or rewrite said response.

SECTION 16. INDEMNIFICATION.

(a) CITY and its elected and appointed boards, officials, officers, agents, employees and volunteers (individually and collectively, "INDEMNITEES") shall have no liability to CONSULTANT or any other person for, and CONSULTANT shall indemnify, defend, protect and hold harmless INDEMNITEES from and against, any and all liabilities, claims, actions, causes of action, proceedings, suits, damages, judgments, liens, levies, costs and expenses of whatever nature, including reasonable attorneys' fees and disbursements (collectively "CLAIMS"), which INDEMNITEES may suffer or incur or to which INDEMNITEES may become subject by reason of or arising out of any injury to or death of any person(s), damage to property, loss of use of property, economic loss or otherwise occurring as a result of or allegedly caused by the CONSULTANT's performance of or failure to perform any services under this AGREEMENT or by the negligent or *willful* acts or omissions of CONSULTANT, its agents, officers, directors, subcontractors or employees, committed in performing any of the services under this AGREEMENT.

(b) If any action or proceeding is brought against INDEMNITEES by reason of any of the matters against which CONSULTANT has agreed to indemnify INDEMNITEES as provided above, CONSULTANT, upon notice from CITY, shall defend INDEMNITEES at CONSULTANT's expense by counsel acceptable to CITY, such acceptance not to be unreasonably withheld. INDEMNITEES need not have first paid for any of the matters to which INDEMNITEES are entitled to indemnification in order to be so indemnified. The insurance required to be maintained by CONSULTANT under SECTION 16 shall ensure CONSULTANT's obligations under this section, but the limits of such insurance shall not limit the liability of CONSULTANT hereunder. The provisions of this section shall survive the expiration or earlier termination of this AGREEMENT.

(c) If CONSULTANT's obligation to defend, indemnify, and/or hold harmless arises out of CONSULTANT's performance of "design professional" services (as that term is defined under Civil Code section 2782.8), then, and only to the extent required by Civil Code section 2782.8, which is fully incorporated herein, CONSULTANT's indemnification obligation shall be limited to CLAIMS that arise out of, pertain to, or relate to the negligence, recklessness, or willful misconduct of the CONSULTANT, and, upon CONSULTANT obtaining a final adjudication by a court of competent jurisdiction, CONSULTANT's liability for such claim, including the cost to defend, shall not exceed the CONSULTANT's proportionate percentage of fault.

(d) The provisions of this section do not apply to CLAIMS occurring as a result of the CITY's sole negligence or *willful* acts or omissions.

SECTION 17. INSURANCE.

CONSULTANT agrees to obtain and maintain in full force and effect during the term of this AGREEMENT the insurance policies set forth in EXHIBIT "C" "INSURANCE" and made a part of this AGREEMENT. All insurance policies shall be subject to approval by CITY as to form and content. These requirements are subject to

amendment or waiver if so approved in writing by the City Administrator. CONSULTANT agrees to provide CITY with copies of required policies upon request.

SECTION 18. ASSIGNMENT.

The expertise and experience of CONSULTANT are material considerations for this AGREEMENT. CITY has an interest in the qualifications of and capability of the persons and entities who will fulfill the duties and obligations imposed upon CONSULTANT under this AGREEMENT. In recognition of that interest, CONSULTANT shall not assign or transfer this AGREEMENT or any portion of this AGREEMENT or the performance of any of CONSULTANT's duties or obligations under this AGREEMENT without the prior written consent of the CITY. Any attempted assignment shall be ineffective, null and void, and shall constitute a material breach of this AGREEMENT entitling CITY to any and all remedies at law or in equity, including summary termination of this AGREEMENT. CITY acknowledges, however, that CONSULTANT, in the performance of its duties pursuant to this AGREEMENT, may utilize subcontractors.

SECTION 19. CONTINUITY OF PERSONNEL.

CONSULTANT shall make every reasonable effort to maintain the stability and continuity of CONSULTANT's staff assigned to perform the services required under this AGREEMENT. CONSULTANT shall notify CITY of any changes in CONSULTANT's staff assigned to perform the services required under this AGREEMENT, prior to any such performance.

SECTION 20. TERMINATION OF AGREEMENT.

(a) CITY may terminate this AGREEMENT, with or without cause, at any time by giving thirty (30) days written notice of termination to CONSULTANT. In the event such notice is given, CONSULTANT shall cease immediately all work in progress.

(b) CONSULTANT may terminate this AGREEMENT at any time upon thirty (30) days written notice of termination to CITY. In the event such notice is given, CONSULTANT shall cease immediately all work in progress.

(c) If either CONSULTANT or CITY fail to perform any material obligation under this AGREEMENT, then, in addition to any other remedies, either CONSULTANT, or CITY may terminate this AGREEMENT immediately upon written notice.

(d) Upon termination of this AGREEMENT by either CONSULTANT or CITY, all property belonging exclusively to CITY which is in CONSULTANT's possession shall be returned to CITY. CONSULTANT shall furnish to CITY a final invoice for work performed and expenses incurred by CONSULTANT, prepared as set forth in

SECTION 4 of this AGREEMENT. This final invoice shall be reviewed and paid in the same manner as set forth in SECTION 4 of this AGREEMENT.

SECTION 21. DEFAULT.

In the event that CONSULTANT is in default under the terms of this AGREEMENT, the CITY shall not have any obligation or duty to continue compensating CONSULTANT for any work performed after the date of default and may terminate this AGREEMENT immediately by written notice to the CONSULTANT.

SECTION 22. EXCUSABLE DELAYS.

CONSULTANT shall not be liable for damages, including liquidated damages, if any, caused by delay in performance or failure to perform due to causes beyond the control of CONSULTANT. Such causes include, but are not limited to, acts of God, acts of the public enemy, acts of federal, state or local governments, acts of CITY, court orders, fires, floods, epidemics, strikes, embargoes, and unusually severe weather. The term and price of this AGREEMENT shall be equitably adjusted for any delays due to such causes.

SECTION 23. COOPERATION BY CITY.

All public information, data, reports, records, and maps as are existing and available to CITY as public records, and which are necessary for carrying out the work as outlined in the EXHIBIT "A" "SCOPE OF SERVICES", shall be furnished to CONSULTANT in every reasonable way to facilitate, without undue delay, the work to be performed under this AGREEMENT.

WORK PLAN

Our approach to completing the design of improvements to the Jackson Bikeway Improvements Project includes the following elements:

PROGRAM MANAGEMENT AND MEETINGS

BKF will manage the design team as well as track progress, schedule, and budget. We will be responsible for documenting all design decisions and keeping an official record of the project. Furthermore, we will submit monthly progress reports identifying tasks completed, budget status, and issues status. A senior member of our team will perform an independent quality control review of the team's documents prior to each submittal. The review will evaluate constructability, cost, and discrepancies between the disciplines.

We believe that at appropriate phases of the project, meetings are essential to convey ideas and resolve issues. For the Jackson Street Bikeway Project, we propose the following meetings per Task.

SITE INVESTIGATION

Task 1: Utility Locating

BKF will contract with a utility locator to identify existing utilities at the site that fall within the area of the proposed bikeway. Utility locating includes traffic control

Task 2: Topographic Survey (Jackson Street from north end of the UC Berkeley Housing Improvements to Buchannan Intersection. *

BKF will prepare a topographic survey of the area from the end of the trail (constructed as part of the UC Berkeley Student Housing Project) to the north side of the Buchannan/Jackson Street intersection. The survey will show major topographic features within the right-of-way (ROW) area from 25 feet east of the UC Berkeley fence (to the other side of the road), which includes the location of trees over 6-inch in diameter, signpost, mailboxes, and utility features (water valves, street lights, service meters, fire hydrants, back flow preventers, vaults, clean-outs, pull-boxes, joint poles and guy wires, and manholes). Street cross-sections will show elevations at the back of walk, face of curb, flow line, and centerline of the road and will be shown every 50 feet but will be shown at 25 feet or less for specified detail areas. We will plot the right-of-way lines based on County record maps, and assessor's maps. Spot elevations will be shown to the nearest hundredth of a foot (0.01') for shots on concrete and asphalt, whereas for spot elevations shot on dirt/grass will be shown to the nearest tenth of a foot (0.1'). Contour elevation lines will be shown at 1-foot contour intervals.

The base map will be drafted at a mapping scale of 1"=20'. The horizontal control for this survey will be related to the California Coordinate System (Zone 3), using the North American Datum of 1983 (NAD 83). The Vertical Datum will be tied to NAVD88 Datum.

The sidewalk in front of the UC Berkeley Student Housing Project is currently being constructed, we have allotted half a day of field work to pick up the interface with the new project for the purpose of determining the elevations there (once constructed)

Task 3: Topographic (Jackson St from Eighth to Monroe)*

BKF will prepare a topographic survey of Jackson from the eighth street intersection to the improvements (constructed as part of the UC Berkeley Student Housing Project) at the intersection of Monroe. It is understood that the improvements in this area will be confined to striping, so we only anticipate picking up street geometry. * It is anticipated that the initial survey will precede the completion of the improvements of the UC Berkeley Albany Village Student Housing Project

Task 4: Geotechnical Investigation

BKF will procure a geotechnical engineer to bore existing pavement samples (shallow bores) along the route from Village Creek to Buchanan. BKF will coordinate locations with City via map for tests. A memorandum report will be produced to provide recommendations for pavement design. Permeability tests will also be conducted for use in designing "best management practices" for stormwater treatment.

PLANS, SPECIFICATIONS AND ESTIMATE

Task 1: Preliminary Design

A preliminary (35%) design will serve as the basis to move into final engineering the project. The submittal will include:

- BMP/Drainage Report – Similar to the Bikeway completed as part of the UC Berkeley project, we will incorporate BMPs into a Drainage Report that documents the green infrastructure and capacity. The report will indicate strategies for complying with NPDES provision C.3 should the City choose to explore these opportunities)
- Plans - including geometric/horizontal layout plan; typical cross sections; pavement plan; striping and signage plan; irrigation and planting plan;
- Specifications – Caltrans Standard Special Provisions (SSP)
- Exhibits - right of way acquisition exhibit illustrating permanent public access easements; It is assumed this easement will be rectangular and will run the entirety of the east side of the project from Village Creek to Buchanan and be approximately 10 feet wide.
- Engineer's Class 3 level cost estimate.

Task 2: Final Engineering

The objective of this task is to develop the documents, including plans and City Special Provisions and Technical Specifications, to a level necessary for submittal to Local Assistance demonstrating the project is ready for construction.

- 60% Submittal. With the 60% submittal, the team will expand on the 35% design, develop a working drawing set, and include the City's front-end specifications into the special provisions and incorporate federal bid requirements as required by the Local Assistance. Each submittal will contain the following plans: title and key map sheet; horizontal layout plan; typical cross sections; pavement repair plan; utility relocation plan; striping and street signage plan; street lighting plan; traffic signal plan (modifications); wayfinding signage plan; landscape planting plan; irrigation plan; construction details; special provisions in an outline format; right of way acquisition plat and legal descriptions; and cost estimate.

- b. 90% Submittal. The 90% submittal will be used for permitting and E76 submittal. BKF will compile the drawings from the sub-consultants and submit to the City of Albany Public Works Department for review.
- c. 100% Submittal. Upon approval, the team will include a final 100% set for bidding.

Task 3: Bid Assistance

Our support during bidding will include:

- *Pre-Bid Conference*: BKF will attend a pre bid conference to provide information to contractors and answer questions.
- *Bid Addenda*: BKF will respond to contractor questions and issue addenda.
- *Bid Opening*: BKF will be present at the bid opening.
- *Bid Documents*: BKF will prepare conformed bid documents based on any issued addenda and will provide an electronic file and hard copy of all working documents.
- *Caltrans Award Package*: BKF will prepare the Caltrans construction award package after city council has awarded the contract.

AGREEMENT FOR CONSULTANT SERVICES
BETWEEN
THE CITY OF ALBANY
AND
ZOOM ENGINEERING
FOR PROJECT:
JACKSON STREET BIKEWAY PROJECT MANAGEMENT**

This AGREEMENT FOR CONSULTANT SERVICES ("AGREEMENT"), is made and entered into this 22nd day of MARCH, 2024 by and among the City of Albany a California charter city ("CITY") and ZOOM ENGINEERING ("CONSULTANT").

In consideration of the mutual covenants and conditions set forth herein, the parties agree as follows:

SECTION 1. TERM OF AGREEMENT.

Subject to the provisions of SECTION 19 "TERMINATION OF AGREEMENT" of this AGREEMENT, the term of this AGREEMENT shall be for a period of EIGHTEEN (18) MONTHS from the date of execution of this AGREEMENT, as first shown above. Such term may be reduced or extended upon written agreement of both parties to this AGREEMENT.

SECTION 2. SCOPE OF SERVICES.

CONSULTANT agrees to perform the services set forth in EXHIBIT "A" "SCOPE OF SERVICES" and made a part of this AGREEMENT.

SECTION 3. ADDITIONAL SERVICES.

CONSULTANT shall not be compensated for any services rendered in connection with its performance of this AGREEMENT which are in addition to or outside of those set forth in this AGREEMENT or listed in EXHIBIT "A" "SCOPE OF SERVICES", unless such additional services are authorized in advance and in writing by the City Council or City Manager of CITY. CONSULTANT shall be compensated for any such additional services in the amounts and in the manner agreed to by the City Council or City Manager.

SECTION 4. COMPENSATION AND METHOD OF PAYMENT.

Subject to any limitations set forth in this AGREEMENT, CITY agrees to pay CONSULTANT the amounts specified in EXHIBIT "B" "COMPENSATION" and made a part of this AGREEMENT for services satisfactorily rendered under this AGREEMENT. The total compensation payable, including reimbursement for actual expenses, shall not

exceed \$100,000 unless additional compensation is approved in writing by the City Council or City Manager.

Each month CONSULTANT shall furnish to CITY an original invoice for all work performed and expenses incurred during the preceding month. The invoice shall detail charges by the following categories: labor (by sub-category), travel, materials, equipment, supplies, sub-consultant contracts and miscellaneous expenses. CITY shall independently review each invoice submitted by the CONSULTANT to determine whether the work performed and expenses incurred are in compliance with the provisions of this AGREEMENT. In the event that no charges or expenses are disputed, the invoice shall be approved and paid according to the terms set forth below. In the event any charges or expenses are disputed by CITY, the original invoice shall be returned by CITY to CONSULTANT for correction and resubmission.

Except as to any charges for work performed or expenses incurred by CONSULTANT which are disputed by CITY, CITY will use its best efforts to cause CONSULTANT to be paid within thirty (30) days of receipt of CONSULTANT's invoice.

Payment to CONSULTANT for work performed pursuant to this AGREEMENT shall not be deemed to waive any defects in work performed by CONSULTANT.

SECTION 5. INSPECTION AND FINAL ACCEPTANCE.

CITY may inspect and accept or reject any of CONSULTANT's work under this AGREEMENT, either during performance or when completed. CITY shall reject or finally accept CONSULTANT's work within sixty (60) days after submitted to CITY. CITY shall reject work by a timely written explanation, otherwise CONSULTANT's work shall be deemed to have been accepted. CITY's acceptance shall be conclusive as to such work except with respect to latent defects, fraud and such gross mistakes as amount to fraud. Acceptance of any of CONSULTANT's work by CITY shall not constitute a waiver of any of the provisions of this AGREEMENT including, but not limited to, SECTIONS 15 and 16, pertaining to indemnification and insurance, respectively.

SECTION 6. OWNERSHIP OF DOCUMENTS.

All original maps, models, designs, drawings, photographs, studies, surveys, reports, data, notes, computer files, files and other documents prepared, developed or discovered by CONSULTANT in the course of providing any services pursuant to this AGREEMENT shall become the sole property of CITY and may be used, reused or otherwise disposed of by CITY without the permission of the CONSULTANT. Upon completion, expiration or termination of this AGREEMENT, CONSULTANT shall turn over to CITY all such original maps, models, designs, drawings, photographs, studies, surveys, reports, data, notes, computer files, files and other documents.

SECTION 7. CONSULTANT'S BOOKS AND RECORDS.

CONSULTANT shall maintain any and all documents and records demonstrating or relating to CONSULTANT's performance of services pursuant to this AGREEMENT. CONSULTANT shall maintain any and all ledgers, books of account, invoices, vouchers, canceled checks, or other documents or records evidencing or relating to work, services, expenditures and disbursements charged to CITY pursuant to this AGREEMENT. Any and all such documents or records shall be maintained in accordance with generally accepted accounting principles and shall be sufficiently complete and detailed so as to permit an accurate evaluation of the services provided by CONSULTANT pursuant to this AGREEMENT. Any and all such documents or records shall be maintained for three years from the date of execution of this AGREEMENT and to the extent required by laws relating to audits of public agencies and their expenditures.

(b) Any and all records or documents required to be maintained pursuant to this section shall be made available for inspection, audit and copying, at any time during regular business hours, upon written request by CITY or its designated representative. Copies of such documents or records shall be provided directly to the CITY for inspection, audit and copying when it is practical to do so; otherwise, unless an alternative is mutually agreed upon, such documents and records shall be made available at CONSULTANT's address indicated for receipt of notices in this AGREEMENT.

(c) Where CITY has reason to believe that any of the documents or records required to be maintained pursuant to this section may be lost or discarded due to dissolution or termination of CONSULTANT's business, CITY may, by written request, require that custody of such documents or records be given to the requesting party and that such documents and records be maintained by the requesting party. Access to such documents and records shall be granted to CITY, as well as to its successors-in-interest and authorized representatives.

SECTION 8. STATUS OF CONSULTANT.

(a) CONSULTANT is and shall at all times remain a wholly independent contractor and not an officer, employee or agent of CITY. CONSULTANT shall have no authority to bind CITY in any manner, nor to incur any obligation, debt or liability of any kind on behalf of or against CITY, whether by contract or otherwise, unless such authority is expressly conferred under this AGREEMENT or is otherwise expressly conferred in writing by CITY.

(b) The personnel performing the services under this AGREEMENT on behalf of CONSULTANT shall at all times be under CONSULTANT's exclusive direction and control. Neither CITY, nor any elected or appointed boards, officers, officials, employees or agents of CITY, shall have control over the conduct of CONSULTANT or any of CONSULTANT's officers, employees or agents, except as set forth in this AGREEMENT. CONSULTANT shall not at any time or in any manner represent that CONSULTANT or

any of CONSULTANT's officers, employees or agents are in any manner officials, officers, employees or agents of CITY.

(c) Neither CONSULTANT, nor any of CONSULTANT's officers, employees or agents, shall obtain any rights to retirement, health care or any other benefits which may otherwise accrue to CITY'S employees. CONSULTANT expressly waives any claim CONSULTANT may have to any such rights.

SECTION 9. STANDARD OF PERFORMANCE.

CONSULTANT represents and warrants that it has the qualifications, experience and facilities necessary to properly perform the services required under this AGREEMENT in a thorough, competent and professional manner. CONSULTANT shall at all times faithfully, competently and to the best of its ability, experience and talent, perform all services described herein. In meeting its obligations under this AGREEMENT, CONSULTANT shall employ, at a minimum, generally accepted standards and practices utilized by persons engaged in providing services similar to those required of CONSULTANT under this AGREEMENT.

SECTION 10. COMPLIANCE WITH APPLICABLE LAWS, PERMITS, AND LICENSES.

CONSULTANT shall keep itself informed of and comply with all applicable federal, state and local laws, statutes, codes, ordinances, regulations and rules in effect during the term of this AGREEMENT. CONSULTANT shall obtain any and all licenses, permits and authorizations necessary to perform the services set forth in this AGREEMENT. Neither CITY, nor any elected or appointed boards, officers, officials, employees or agents of CITY, shall be liable, at law or in equity, as a result of any failure of CONSULTANT to comply with this section.

CONSULTANT shall obtain and maintain in full force and effect during the term of this AGREEMENT a Business License from the CITY's Finance Department. Provide City of Albany Business License number and Expiration Date on Page 11 of this contract.

SECTION 11. NONDISCRIMINATION.

CONSULTANT shall not discriminate, in any way, against any person on the basis of race, color, religious creed, national origin, ancestry, sex, age, physical handicap, medical condition or marital status in connection with or related to the performance of this AGREEMENT.

SECTION 12. UNAUTHORIZED ALIENS.

CONSULTANT hereby promises and agrees to comply with all of the provisions of the Federal Immigration and Nationality Act, 8 U.S.C.A. §§ 1101, et M., as amended, and in connection therewith, shall not employ unauthorized aliens as defined therein. Should CONSULTANT so employ such unauthorized aliens for the performance of work and/or services covered by this AGREEMENT, and should any liability or sanctions be imposed against CITY for such use of unauthorized aliens, CONSULTANT hereby agrees to and shall reimburse CITY for the cost of all such liabilities or sanctions imposed, together with any and all costs, including attorneys' fees, incurred by CITY.

SECTION 13. PAYMENT OF A LIVING WAGE; FAILURE TO COMPLY.

By its signature hereunder, CONSULTANT certifies that it is aware of the CITY ordinance requiring all consultants who meet certain eligibility guidelines to pay covered employees a living wage as enumerated in the ordinance, and agrees to comply with such provisions before commencing the performance of work and/or services covered by this AGREEMENT. CONSULTANT agrees to provide CITY with documents and information verifying compliance with the requirements of the ordinance upon a request by CITY for such verification. CONSULTANT understands that failure to comply with any or all of the requirements of CITY'S living wage ordinance may result in sanctions including termination of the contract and the CITY'S or covered employees' pursuit of any available legal remedies. CONSULTANT further agrees to notify each of its affected employees in writing, upon commencement of performance of work and/or services covered by this AGREEMENT, of CONSULTANT'S obligation to pay a living wage as set forth in the CITY ordinance. This provision shall not be construed to limit CONSULTANT'S discretion to provide greater wages or benefits to its employees. Notwithstanding anything to the contrary, this provision shall not apply to work or services subject to state prevailing wage law codified at Labor Code sections 1720 *et seq.* and 1770 *et seq.*

SECTION 14. CONFLICTS OF INTEREST.

(a) CONSULTANT covenants that neither it, nor any officer or principal of its firm, has or shall acquire any interest, directly or indirectly, which would conflict in any manner with the interests of CITY or which would in any way hinder CONSULTANT'S performance of services under this AGREEMENT. CONSULTANT further covenants that in the performance of this AGREEMENT, no person having any such interest shall be employed by it as an officer, employee, agent or subcontractor without the express written consent of the City Manager. CONSULTANT agrees to at all times avoid conflicts of interest or the appearance of any conflicts of interest with the interests of CITY in the performance of this AGREEMENT.

(b) CITY understands and acknowledges that CONSULTANT is, or may be, as of the date of execution of this AGREEMENT, independently involved in the performance of non-related services for other governmental agencies and private parties.

CONSULTANT is unaware of any stated position of CITY relative to such projects. Any future position of CITY on such projects shall not be considered a conflict of interest for purposes of this section.

SECTION 15. CONFIDENTIAL INFORMATION AND RELEASE OF INFORMATION.

(a) All information gained or work product produced by CONSULTANT in performance of this AGREEMENT shall be considered confidential, unless such information is in the public domain or already known to CONSULTANT. CONSULTANT shall not release or disclose any such information or work product to persons or entities other than CITY without prior written authorization from the City Administrator, except as may be required by law.

(b) CONSULTANT, its officers, employees, agents or subcontractors, shall not, without prior written authorization from the City Manager or unless requested by the City Attorney of CITY, voluntarily provide declarations, letters of support, testimony at depositions, response to interrogatories or other information concerning the work performed under this AGREEMENT. Response to a subpoena or court order shall not be considered "voluntary" provided CONSULTANT gives CITY notice of such court order or subpoena.

(c) If CONSULTANT, or any officer, employee, agent or subcontractor of CONSULTANT, provides any information or work product in violation of this AGREEMENT, then CITY shall have the right to reimbursement and indemnity from CONSULTANT for any damages, costs and fees, including attorneys fees, caused by or incurred as a result of CONSULTANT's conduct.

(d) CONSULTANT shall promptly notify CITY should CONSULTANT, its officers, employees, agents or subcontractors be served with any summons, complaint, subpoena, notice of deposition, request for documents, interrogatories, request for admissions or other discovery request, court order or subpoena from any party regarding this AGREEMENT and the work performed thereunder. CITY retains the right, but has no obligation, to represent CONSULTANT or be present at any deposition, hearing or similar proceeding. CONSULTANT agrees to cooperate fully with CITY and to provide CITY with the opportunity to review any response to discovery requests provided by CONSULTANT. However, this right to review any such response does not imply or mean the right by CITY to control, direct, or rewrite said response.

SECTION 16. INDEMNIFICATION.

(a) CITY and its elected and appointed boards, officials, officers, agents, employees and volunteers (individually and collectively, "INDEMNITEES") shall have no liability to CONSULTANT or any other person for, and CONSULTANT shall indemnify, defend, protect and hold harmless INDEMNITEES from and against, any and all liabilities,

claims, actions, causes of action, proceedings, suits, damages, judgments, liens, levies, costs and expenses of whatever nature, including reasonable attorneys' fees and disbursements (collectively "CLAIMS"), which INDEMNITEES may suffer or incur or to which INDEMNITEES may become subject by reason of or arising out of any injury to or death of any person(s), damage to property, loss of use of property, economic loss or otherwise occurring as a result of or allegedly caused by the CONSULTANT's performance of or failure to perform any services under this AGREEMENT or by the negligent or *willful* acts or omissions of CONSULTANT, its agents, officers, directors, subcontractors or employees, committed in performing any of the services under this AGREEMENT.

(b) If any action or proceeding is brought against INDEMNITEES by reason of any of the matters against which CONSULTANT has agreed to indemnify INDEMNITEES as provided above, CONSULTANT, upon notice from CITY, shall defend INDEMNITEES at CONSULTANT's expense by counsel acceptable to CITY, such acceptance not to be unreasonably withheld. INDEMNITEES need not have first paid for any of the matters to which INDEMNITEES are entitled to indemnification in order to be so indemnified. The insurance required to be maintained by CONSULTANT under SECTION 16 shall ensure CONSULTANT's obligations under this section, but the limits of such insurance shall not limit the liability of CONSULTANT hereunder. The provisions of this section shall survive the expiration or earlier termination of this AGREEMENT.

(c) If CONSULTANT's obligation to defend, indemnify, and/or hold harmless arises out of CONSULTANT's performance of "design professional" services (as that term is defined under Civil Code section 2782.8), then, and only to the extent required by Civil Code section 2782.8, which is fully incorporated herein, CONSULTANT's indemnification obligation shall be limited to CLAIMS that arise out of, pertain to, or relate to the negligence, recklessness, or willful misconduct of the CONSULTANT, and, upon CONSULTANT obtaining a final adjudication by a court of competent jurisdiction, CONSULTANT's liability for such claim, including the cost to defend, shall not exceed the CONSULTANT's proportionate percentage of fault.

(d) The provisions of this section do not apply to CLAIMS occurring as a result of the CITY's sole negligence or *willful* acts or omissions.

SECTION 17. INSURANCE.

CONSULTANT agrees to obtain and maintain in full force and effect during the term of this AGREEMENT the insurance policies set forth in EXHIBIT "C" "INSURANCE" and made a part of this AGREEMENT. All insurance policies shall be subject to approval by CITY as to form and content. These requirements are subject to amendment or waiver if so approved in writing by the City Administrator. CONSULTANT agrees to provide CITY with copies of required policies upon request.

SECTION 18. ASSIGNMENT.

The expertise and experience of CONSULTANT are material considerations for this AGREEMENT. CITY has an interest in the qualifications of and capability of the persons and entities who will fulfill the duties and obligations imposed upon CONSULTANT under this AGREEMENT. In recognition of that interest, CONSULTANT shall not assign or transfer this AGREEMENT or any portion of this AGREEMENT or the performance of any of CONSULTANT's duties or obligations under this AGREEMENT without the prior written consent of the CITY. Any attempted assignment shall be ineffective, null and void, and shall constitute a material breach of this AGREEMENT entitling CITY to any and all remedies at law or in equity, including summary termination of this AGREEMENT. CITY acknowledges, however, that CONSULTANT, in the performance of its duties pursuant to this AGREEMENT, may utilize subcontractors.

SECTION 19. CONTINUITY OF PERSONNEL.

CONSULTANT shall make every reasonable effort to maintain the stability and continuity of CONSULTANT's staff assigned to perform the services required under this AGREEMENT. CONSULTANT shall notify CITY of any changes in CONSULTANT's staff assigned to perform the services required under this AGREEMENT, prior to any such performance.

SECTION 20. TERMINATION OF AGREEMENT.

(a) CITY may terminate this AGREEMENT, with or without cause, at any time by giving thirty (30) days written notice of termination to CONSULTANT. In the event such notice is given, CONSULTANT shall cease immediately all work in progress.

(b) CONSULTANT may terminate this AGREEMENT at any time upon thirty (30) days written notice of termination to CITY. In the event such notice is given, CONSULTANT shall cease immediately all work in progress.

(c) If either CONSULTANT or CITY fail to perform any material obligation under this AGREEMENT, then, in addition to any other remedies, either CONSULTANT, or CITY may terminate this AGREEMENT immediately upon written notice.

(d) Upon termination of this AGREEMENT by either CONSULTANT or CITY, all property belonging exclusively to CITY which is in CONSULTANT's possession shall be returned to CITY. CONSULTANT shall furnish to CITY a final invoice for work performed and expenses incurred by CONSULTANT, prepared as set forth in SECTION 4 of this AGREEMENT. This final invoice shall be reviewed and paid in the same manner as set forth in SECTION 4 of this AGREEMENT.

SECTION 21. DEFAULT.

In the event that CONSULTANT is in default under the terms of this AGREEMENT, the CITY shall not have any obligation or duty to continue compensating CONSULTANT for any work performed after the date of default and may terminate this AGREEMENT immediately by written notice to the CONSULTANT.

SECTION 22. EXCUSABLE DELAYS.

CONSULTANT shall not be liable for damages, including liquidated damages, if any, caused by delay in performance or failure to perform due to causes beyond the control of CONSULTANT. Such causes include, but are not limited to, acts of God, acts of the public enemy, acts of federal, state or local governments, acts of CITY, court orders, fires, floods, epidemics, strikes, embargoes, and unusually severe weather. The term and price of this AGREEMENT shall be equitably adjusted for any delays due to such causes.

SECTION 23. COOPERATION BY CITY.

All public information, data, reports, records, and maps as are existing and available to CITY as public records, and which are necessary for carrying out the work as outlined in the EXHIBIT "A" "SCOPE OF SERVICES", shall be furnished to CONSULTANT in every reasonable way to facilitate, without undue delay, the work to be performed under this AGREEMENT.

SECTION 24. NOTICES.

All notices required or permitted to be given under this AGREEMENT shall be in writing and shall be personally delivered, or sent by telecopier or certified mail, postage prepaid and return receipt requested, addressed as follows:

SECTION 25. AUTHORITY TO EXECUTE.

The person or persons executing this AGREEMENT on behalf of CONSULTANT represents and warrants that he/she/they has/have the authority to so execute this AGREEMENT and to bind CONSULTANT to the performance of its obligations hereunder.

SECTION 26. BINDING EFFECT.

This AGREEMENT shall be binding upon the heirs, executors, administrators, successors and assigns of the parties.

SECTION 27. MODIFICATION OF AGREEMENT.

No amendment to or modification of this AGREEMENT shall be valid unless made in writing and approved by the CONSULTANT and by the CITY. The parties agree that this requirement for written modifications cannot be waived and that any attempted waiver shall be void.

SECTION 28. WAIVER

Waiver by any party to this AGREEMENT of any term, condition, or covenant of this AGREEMENT shall not constitute a waiver of any other term, condition, or covenant. Waiver by any party of any breach of the provisions of this AGREEMENT shall not constitute a waiver of any other provision, nor a waiver of any subsequent breach or violation of any provision of this AGREEMENT. RE: Proposal Request for
Project Management and Federal-Aid Contract Administration for Jackson Bikeway

Dear Mr. Fried:

Thank you for providing Zoon Engineering with the opportunity to assist the City of Albany (City) with the implementation of the Jackson Bikeway Project Phase 2. It is our understanding that the City requires project management assistance.

- Phase 2: North of the University Village Development to Buchanan Street & Signing and Striping South to Eighth Street
 - a. Project management support initiating with the Preliminary Environmental Study (PES) through Request for Authorization (RFA) up to advertisement with special consideration for administering the Federal-Aid provisions in the Caltrans Local Assistance Procedures Manual (LAPM).

Zoon will prepare document submittals, facilitate meetings, and regularly track/report on project progress. Submittals will be prepared in accordance with the Caltrans Local Assistance Manual (LAPM), using the latest available forms in the applicable Chapters.

<https://dot.ca.gov/programs/local-assistance/guidelines-and-procedures/local-assistance-procedures-manual-lapm>

Phase 2: Task 1 – Project Management Support (Buchanan Street to Eighth Street)

Project management support from the PES Study to RFA for Construction and advertisement. For budgetary purposes, it is assumed that this process will take one year to complete and ending in December 2024. This process could take longer depending on the studies required as part of the PES document and other Caltrans processes. However, Zoon will work with Caltrans to minimize additional studies. It is assumed that Zoon will manage any City consultants in addition to reviewing and providing input on deliverables required as part of the PES process. This includes but is not limited to cultural/biological resources and floodplain studies, if required. It is assumed that the City will only use federal funds for construction only as a DBE commitment is required if federal funds are used for PE phase which would result in additional efforts.

Hours: 8 hrs/week x 52 weeks/year (assuming this process takes 1 year to complete) = 416 hrs

Zoon Fee: 416 hrs x \$185.28 (Anthony's rate) = **\$77,076.48**

This proposal's scope of work assumes that Albany will participate in the administration of Federal-Aid procedures when required. This may involve taking an authorizing resolution to City Counsel or facilitating information transfer between Zoon and Caltrans when requested. Albany must also maintain

an Agency Single Point of Contact (SPOC), administrate a Disadvantaged Business Enterprise Program (DBE Program), adopt a Quality Assurance Program (QAP) in accordance with the Caltrans QAP Manual (required for Fed-Aid projects), and assist in the review and approval of all Federal-Aid documentation prepared under this contract. It is also assumed that Albany has a master agreement in place with Caltrans for Federal-Aid funds in accordance with Chapter 4 (see Exhibit 4B for checklist):

Sincerely,
