SUBJECT: Supplemental Business License Special Tax

REPORT BY: Anne Hsu, City Clerk
Nicole Almaguer, City Manager

STAFF RECOMMENDATION

That the Council adopt Resolution No. 2024-63, placing the Supplemental Business License Special Tax Measure on the ballot to be submitted to the voters for the November 5, 2024 General Municipal Election.

BACKGROUND/DISCUSSION

On [May 20, 2024](#), the City Council directed staff to move forward with the possible placement of a ballot measure for a supplemental business license special tax on the November 5, 2024 General Municipal Election ballot. The special tax on rented residences aims to continue funding for several programs currently funded by the American Rescue Plan Act (ARPA), most centrally the City's emergency financial support program for tenants, and to fund rental code enforcement along with legal counsel for tenants and rental providers.

The City retained the services of NBS to provide technical assistance regarding the possible tax formula and revenue estimates. In addition, the Council formed an ad hoc committee, composed of Vice Mayor López and Council Member Tiedemann, to obtain additional input from stakeholders and to work with staff on the potential ballot measure.

On [July 1, 2024](#), the Council received public comment, reviewed the recommendation report provided by NBS, and discussed the memorandum provided by the Council Ad Hoc Committee with input received from the meetings with community stakeholders. The Council amended the proposed draft ballot measure language to: 1) tax rates of 0.36% for owners of four or less units and 1.0% for owners of five or more units; 2) financial assistance for rental providers to avert foreclosure; and 3) exclusion of security deposits from gross receipts subject to the tax. This supplemental business license tax aims to fund local tenant rental assistance programs, residential rental code enforcement, legal assistance for tenants and landlords, and to support rental providers to avoid financial hardship.

NBS has provided an updated formula estimate with the adjusted tax rates as follows:

Units per Residential Rental	Unit Count	Monthly Gross Rent	Tax Rate	Annual Tax Generated
Units >= 5	1,047	\$2,599	1.000%	\$326,538
Units <= 4	1,106	2,599	0.360%	124,178
Unlicensed Units	350	2,599	0.360%	39,297
Totals	2,503			\$490,013

The estimated revenue value of \$475,000 has been included in the ballot question and ordinance given the potential variance in this estimation. The attached Resolution No. 2024-63 with its Exhibit A (Ordinance No. 2024-04) with Council directed amended tax measure language is attached for Council’s consideration to place the special tax measure on the ballot for the November 5, 2024 General Municipal Election.

FINANCIAL CONSIDERATIONS

It is anticipated that if the ballot measure is approved by the voters, it will bring in an estimate of \$475,000 per year in revenue (approximately \$125,000 for administrative costs; \$250,000 for emergency tenant support & rental provider foreclosure support; \$100,000 for initial code enforcement and subsequent legal service fees).

There will also be additional costs to administer the collection of the supplemental business tax if approved by the voters. The City currently utilizes the services of Avenu to collect business license taxes via an online portal. This supplemental business license tax would be incorporated into that same collection mechanism. Avenu has indicated that it would take about a year to properly set up and implement collection of this new tax.

Each measure placed on the ballot will be incorporated into the overall costs as part of the election. In 2022, the cost of the election with 1 ballot measure was approximately \$104,000.

11 specific project or service; and any future decisions to approve particular projects or services
12 utilizing the tax proceeds will be subject to environmental review at the earliest feasible time
13 prior to the point at which such future decisions are made. As such, under CEQA Guidelines
14 Section 15378(b)(4), this Measure is not a project within the meaning of CEQA because it
15 creates a government funding mechanism that does not involve any commitment to any
16 specific project that may result in a potentially significant physical impact on the environment.
17 If revenue from this Measure were used for a purpose that would have any such effect, the City
18 would undertake the required CEQA review for that particular project at the earliest feasible
19 time prior to approval of the project. Therefore, under CEQA Guidelines Section 15060,
20 review under CEQA is not required prior to enactment of the Measure.
