

FOR MEMBER OF THE CITY COUNCIL

Jennifer Hansen-Romero

Age: 50

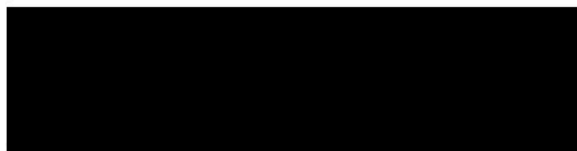

Occupation: Incumbent (Appointed)

As a fourth generation Albany native and AUSD alumni, I have actively volunteered in our community in several capacities over the years. Most recently, I have been honored to serve as an Albany City Council person from 2022. Previously, I served on the board of directors at Albany Preschool, Albany Little League and The Albany Historical Society as well as being a Girl Scout leader. In addition, I have served as the volunteer President for The Solano Avenue Association supporting our vibrant business community. Some mornings you may also see me on Solano or San Pablo with The Blue Glove Crew helping to keep our sidewalks clean.

I have been excited and grateful to raise my two children in the same community in which I grew up and look forward to sharing our wonderful and loving community with others.

I am a Real Estate Agent with Winkler Real Estate Group, specializing in Albany and other surrounding areas.

If elected in 2024, I look forward to having the opportunity to continue serving our amazing, diverse, inclusive, and unique community with openness, collaboration, transparency, awareness, and careful considerations.
