Subject: Ice Cream Truck Vendors

The Albany Unified School District has been working very hard to change our food services program to provide nutritious and healthy foods for students. I am asking that the City prohibit Ice Cream Truck Vendors from parking and selling in front of our schools. I am further asking that the City prohibit these vendors from parking and selling within 300-500 feet of any public school on school days. I have chased several truck vendors from in front of Albany Middle School recently. I hope that the City would respond to this request as soon as possible.
