**RECOMMENDATION**

Information only.

**BACKGROUND/DISCUSSION**

At the meeting of April 4, 2005, the City Council authorized acceptance of a grant from Target Corporation to conduct a "Music in the Park" concert series in Memorial Park. In accepting the grant, with appreciation, Councilmembers made inquiries regarding the policies, procedures, and history of Target grant giving since its new store opened in Albany last October.

Staff contacted the Albany Target store management (letter attached), who agreed to attend the City Council meeting to explain its community contribution programs.

**FINANCIAL IMPACT**

None.
