Report by: Beth Pollard, City Administrator

STAFF RECOMMENDATION

Accept status report on implementation of the City Council 2005-06 goals.

BACKGROUND

At its meeting of March 7, 2005, the City Council adopted goals for the 2005-06 calendar years. The goals were divided into the following categories:

- Services
- Land Use
- Resources
- Infrastructure

DISCUSSION

Attached is the first status report on the 2005-06 goals. The report includes each of the goals, its current status, and next steps. For the infrastructure goals, staff has included a narrative on the status of current projects in the Capital Improvement Plan (CIP).

At this time, Council has the opportunity to revise the goals or provide alternate direction. It should be noted that any addition of items will require consideration of staff time, financial resources, and other priorities.

FINANCIAL IMPACT

There is no financial impact in acceptance of the status report.
