I had lived in Albany for about 8 years prior to that. I am the father of two small girls that will be starting at Oceanview next week. Ultimately, I am intersted in being an active and contributing member of the community. That is important to me. As stated previously, the Council has until January 22nd to make their appointments, and I believe at this time the at-large positions are scheduled for the January 21st meeting. They have been noticed according to law.

 Subject: Waterfront Committee Appointments ANSWER NEEDED

Jackie-

I wrote you a couple days ago and didn't understand your response.

I am under the belief that the two at large seats on the Waterfront Committee need to be appointed/reappointed prior to the Committees January 26th meeting in order to participate at that meeting. Is this true?
