

*See Page 2 for mock-up of new Shorelines & Waterways map

- Displays are updated every two years.
- Bri Communications does not charge (or pay) any business for the display.
- You are not responsible for theft or vandalism.
- 30 day satisfaction guarantee. If you decide you don't want the display simply notify us.
- Consolidating many messages into one display keeps signage and visual clutter to minimum.

Why Install a Display

- Maintenance free
- People appreciate having maps available
- Promotes travel and the local economy
- Helps you do your job better and saves time
- Professionally installed
