Please state your qualifications for this Board/Commission/Committee and your objectives if you become a member:

My experience for the Charter Review Committee includes being a member of the Contra Costa County Democratic Central Committee and a delagate to the California Democratic Party. I am formerly a Vice President of the El Cerrito Democratic Club.

My primary objective is to become involved with my local community, now that I have moved back to Albany (had I lived in Albany for ~8 year prior to buying my first house in 2000, near Harding Elementary). I have singled out the Charter Review Committee primarily because (honestly) from browsing the website it appears to have several vacancies, but also because policy is something that interests me.

On a final note, I just want to say that I work will with others and like to understand all sides before making a decision. I think that these are qualities that work well for this sort of committee.

Please list past and present community activities you have participated in:

When with the CCCDCC, I was the Chair of the Voter Registration Committee, organizing voter registration and GOTV efforts, mostly in Richmond. I have also volunteered repeatedly at my daughters' school, giving science demonstrations.
