STAFF RECOMMENDATION

Appoint two (2) at-large members to the Charter Review Committee.

BACKGROUND

The Charter Review Committee has two (2) at-large appointments.

Pursuant to the City Charter, Section 3.23 appointments made by the entire Council serve until the next regular municipal election. They may continue to serve up to 45 days after the certification of the election, or until reappointed or replaced.

As the City had an election on November 4, 2008, which was certified on December 8, 2008, the At-Large positions on this Committee are now open for appointment by the City Council.

Bart Grossman, who served as the Council's at-large member, and Gabriel Baty have each submitted an application.

SUSTAINABILITY IMPACT

Not Applicable.

FINANCIAL IMPACT

There is a minor amount of staff time in the administration of the at-large appointments.
