to Select Measure WW Projects for Recommendation

Selection Process:

1. Determine preferred project attributes. (See table below.)
2. Each committee member has opportunity to propose 1-3 projects. Proposals succinct.
3. Discuss projects
4. Rank projects
5. Recommend top ranked projects.

Schedule of Mtgs.

WFC: 3/9 (3/23 or 3/30?) 4/13 (4/27) 5/11 (5/25) 6/8 (6/22)...

P&R: 3/12, 4/9, 5/14, 6/11...

City Council: 3/16, 4/6, 4/20, 5/4, 5/18, 6/1, 6/15

Summary Table: Measure WW Project Proposals

Project Name	Meets Measure WW	Benefits to Community	Funded by Other Sources	Est. Cost	Other Attributes	Rating 3 - 1  (leave blank)	Proposed by:  Name of Com. Member
	Requirements*			% Total Grant			
Remove Safety Hazards from Albany Bulb	Yes	People can enjoy the Bulb freely without the presence of safety hazards	No		The presence of safety hazards is one of the major obstacles that prevent EBRPD from taking over the Bulb		Eddy So
Extend Bay Trail along GGF/Beach area to connect Bay Trail between Berkley and Albany	Yes	People of this community should have the privilege to enjoy a complete Bay Trail through its jurisdictional area.	No		This short section of the Bay Trail is not yet complete and, among the East Bay shoreline cities, Albany is the only community that does not have the complete Trail		Eddy So
Reconstruct southern pier for a fishing/viewing platform	Yes	There is no such facility in the City that people from the community can enjoy	No		The City has one of the best view of the Bay and bird refuge area, and the community deserves having an accessible yet safe place to enjoy fishing and viewing.		Eddy So
